

Mona Vale Road East - Out of hours work

October 2020

Western Early Works

Out of hours work is planned along Mona Vale Road between Tumburra Street and Wirreanda Road from **8pm to 6am** on the below dates, weather permitting:

- **Thursday 15 October**
- **Friday 16 October**

Work at our Western Early Works site off Tumburra Street, Ingleside includes:

- tipping spoil collected from other work sites to the fill area shown overleaf
- removing construction lighting towers (which we recently replaced with temporary solar-powered lighting).

During our night work we will use an excavator with rock hammer, a small crane, tipper trucks, large trucks, light vehicles and lighting towers.

To minimise the impact of night work on residents, we do not work for more than two consecutive nights in the same area. If you are eligible for Alternative Accommodation you will be advised within 24 hours of the work.
