

## Asbestos removal along Mona Vale Road between Daydream Street and Foley Street from Monday 21 October

The NSW Government is investing \$140 million to upgrade Mona Vale Road between Manor Road, Ingleside, and Foley Street, Mona Vale, from two to four lanes to improve safety and traffic efficiency

Roads and Maritime Services started work on the eastern end of the project from Mona Vale Cemetery to Foley Street in early September.

Soil testing has identified undisturbed asbestos contaminated material along Mona Vale Road between Daydream Street and Foley Street. As it is undisturbed it does not present an immediate risk. The affected area has been secured and signage is in place.

The project's asbestos management plan details safe work practices and ensures the removal of the asbestos contaminated material is managed in accordance with strict Environment Protection Authority and Safe Work NSW requirements. The asbestos will be removed safely by accredited contractors so there is no risk to the public. The material will be disposed of at a licenced asbestos management facility.

## What will the work involve?

We will carry out work to remove the asbestos contaminated material from **Monday 21 October to 30 November 2019**, weather permitting. Our work hours will be from **7am to 6pm, Monday to Friday**.

To remove the asbestos contaminated material we will use excavators and trucks. Air will be monitored and work supervised by a licenced hygienist.

## Pedestrian access

Pedestrian access on the northern side of Mona Vale Road will be maintained and any pedestrian detours will be signposted. Access to businesses will be maintained.

For safety reasons, the work area will be fenced off from the pedestrians.

If you are concerned, please contact us so that one of our team members can explain the work and the safety measures we will have in place.

## Contact

We are committed to minimising the impact of construction on the community and will continue to keep you informed as the project progresses. If you have any questions, or would like to sign up for our emailing list, please contact our delivery partner, Georgiou Group.
