

Mona Vale Road East - out of hours work

We will restart out of hours work along Mona Vale Road from January 2020. We will work from **8pm to 5am** on the following dates, weather permitting:

- **Tuesday 7, Wednesday 8 and Friday 10 January**
- **Tuesday 14, Wednesday 15 and Friday 17 January.**

If work is delayed due to wet weather, we will try and work a different night within the same week. We will notify residents living closest to the work if the dates change from the above.

Our work will include:

- moving equipment between work areas
- road maintenance
- shifting of concrete barriers and
- line marking.

During our out of hours work, we will close one lane of Mona Vale Road and reduce the speed limit to 40km/h to ensure the safety of motorists and workers.

January 2020

A stop/slow arrangement will be in place with traffic controllers and signage directing traffic.

We will use rollers, grinders, cranes, lighting, line marking trucks and light vehicles.

To minimise the impact of night work on residents, we do not work for more than two consecutive nights in the same area and will work only 10 days within the same month.

If you are eligible for Alternative Accommodation you will be advised within 24 hours of the work.
