

## Mona Vale Road East - out of hours work

We will continue out of hours work along Mona Vale Road from **8pm to 5am** on the following dates, weather permitting:

- **Monday 11, Tuesday 12 and Thursday 14 November**
- **Monday 18, Tuesday 19 and Thursday 21 November.**

During out of hours work on **Thursday 14 November**, we will complete overhead wire work along Mona Vale Road. This will result in long delays with multiple 10 minute closures of Mona Vale Road followed by a stop/slow arrangement. Please allow additional travel time, keep to speed limits and follow the direction of traffic controllers and signs.

During our other out of hours work, we will close one lane of Mona Vale Road and reduce the speed limit to 40km/h to ensure the safety of motorists and workers. A stop/slow arrangement will be in place with traffic controllers and signage directing traffic.

Our work will include:

- finalising pole installation and overhead wire connections to complete the new electricity service
- excavating rock
- vegetation removal between Samuel Street and Emma Street
- transporting rock and soil to the western early works
- relocating signage at Hungry Jacks (on Ponderosa Parade)
- carrying out road maintenance work, where required.

We will use large excavators with buckets and hammers, bobcats, rollers, grinders, cranes, lighting, chainsaws, paving equipment, light vehicles, hand tools and trucks.

Vegetation removal along the roadway at the intersection of Tumburra Street and Mona Vale Road is planned for **Monday 18 November**, 8pm to 5am, weather permitting.

To minimise the impact of night work on residents, we do not work for more than two consecutive nights in the same area and will work only 10 days within the same month.

If you are eligible for Alternative Accommodation you will be advised within 24 hours of the work. If work is delayed due to wet weather, we will try and work a different night within the same week. We will notify residents closest to the work if the dates change from the above.

### Enquiries and registering for work updates

Please contact the community team for enquiries, feedback or any concerns you may have about the work.

**Call:** 1800 413 640 (24 hour number).
