

Moss Vale Road improvements and Hampden Bridge repairs

The historic Hampden Bridge was built in 1898.

Barrengarry Mountain road closure

The next maintenance closures on Barrengarry Mountain will be on **Tuesday 5** and **Wednesday 6 March**, between **8pm** and **4am**, weather permitting.

The road will be closed to all traffic between Bunkers Hill Road and Myra Vale Road. Detours will be in place during work hours, adding up to 80 minutes additional travel time. We have provided a detour map overleaf.

For information about all road closures visit our website and Southern Road Closures map at rms.nsw.gov.au/southernroadclosures. Please check the webpage and map regularly as closures are subject to change.

Hampden Bridge closures and repairs

Work to repair damaged stonework on Hampden Bridge will be carried out for up to **three nights** from **Monday 11** to **Wednesday 13 March**, weather permitting.

The bridge will be closed to all traffic between **8pm** and **4am**. Detours will be in place adding up to 80 minutes additional travel time.

Pedestrian access will be maintained.

Safety improvements at Illawarra Highway and Sheepwash Road intersection

Work to install a roundabout at the intersection of Sheepwash Road and the Illawarra Highway has started.

There will be changed traffic conditions during construction. Please check [livetraffic.com](https://www.livetraffic.com) for the latest information.

Community survey results

Following a trial of night closures on Moss Vale Road last year, we invited the community to give feedback on preferred times for regular maintenance work.

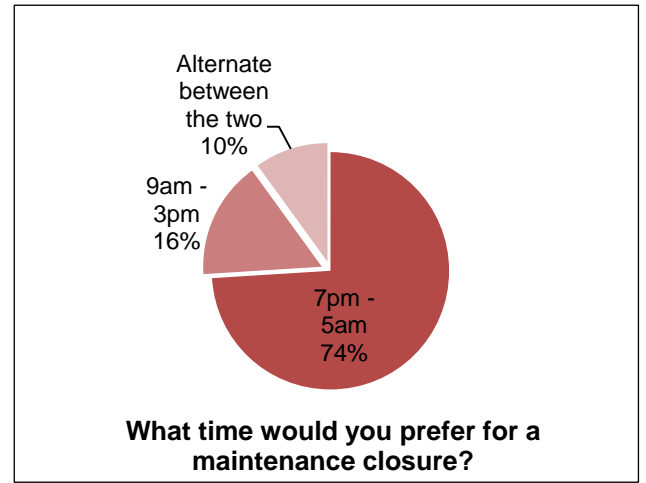

We thank all those who took the time to respond to our survey. More than 100 responses were received from the community and motorists.

The majority of respondents (74 per cent) expressed a preference for night closures.

A number of people requested work start later than 7pm, and in response future planned maintenance work will be carried out between 8pm and 4am.

If there is a significant amount of work which cannot be completed in these working hours, it might be necessary to extend the times or days of the closures.

If you would like further information about the results of the survey, please contact the project office.

If you need help understanding this information, please contact the Translating and Interpreting Service on 131 450 and ask them to call us on 02 4222 3217.
