

Road closure on Castlereagh Road, Penrith from Friday 20 November 2020

The Australian and NSW governments are jointly funding the upgrade of Mulgoa Road, Penrith from Union Road to Museum Drive.

Work is continuing on this project to improve the traffic flow along the Mulgoa Road and Castlereagh Road corridor, including the High Street and Jane Street intersections.

Castlereagh Road closure

To facilitate road pavement construction, Castlereagh Road between Jane Street and Thornton Drive will be closed from:

- **7pm Friday 20 November to 5am Monday 23 November 2020**

A detour will be in place via Andrews Road, Parker Street and Jane Street.

Southbound access to Museum Drive will remain open for local traffic at all times during the closure.

Australian Government

BUILDING OUR FUTURE

Traffic changes

Road users are expected to experience delays on the detour route during the closure. Motorists are encouraged to plan ahead, allow extra travel time of 15 minutes for the detour route outside of peak travel times and use alternative routes or avoid the area where possible.

During lane closures there will be traffic control and a reduced speed limit of 40 km/hr for the safety of workers, motorists, cyclists and pedestrians. For your safety please follow traffic signs.

Please follow direction of traffic controllers, speed and detour signs. All traffic changes will be temporary during our standard work hours. For the latest traffic updates call 132 701, or visit livetraffic.com.au

How will the work affect you?

- There will be temporary traffic lane closures on Mulgoa Road, Castlereagh Road, High Street and Jane Street from **Friday** to **Monday** between **7pm** and **5am**.

At times our work may be noisy. We will minimise impacts by aiming to complete noisier tasks by **11pm**.
