The Australian and NSW governments are jointly funding the upgrade of Mulgoa Road, Penrith from Union Road to Museum Drive.

Work is continuing on this project to improve the traffic flow along the Mulgoa Road and Castlereagh Road corridor, including the High Street and Jane Street intersections.
The work over this period will include the following activities:

Mulgoa Road lane closures

The right turn lane from Mulgoa Road into Union Road remains closed to continue installation of new road pavement in this area, weather permitting. A detour via High Street and Worth Street is in place. This work will continue for around six weeks.

How will the work affect you?

- There will be temporary traffic lane closures on Mulgoa Road, Castlereagh Road, High Street and Jane Street on weekdays and Sundays between 6pm and 7am.
- There may be times where we need to control the flow of traffic on Mulgoa Road, Castlereagh Road, High Street or Jane Street on weekdays between 10am and 3pm and Saturdays between 10am and 1pm.
- Pedestrian and cyclist detours will be in place on Mulgoa Road, Castlereagh Road, High Street and Jane Street for their safety.

At times our work may be noisy. We will minimise impacts by aiming to complete noisier tasks by 11pm and staging work in different locations.
