

## Night and day work on Mulgoa Road from 12 December 2018

The Australian and NSW Governments have fast-tracked \$100 million in funding to the Mulgoa Road, Jamisontown upgrade between Jeanette Street and Blaikie Road including M4 Motorway off-ramps.

### Map of the Mulgoa Road investigations

Roads and Maritime Services will carry out surveying and service locating work along Mulgoa Road, Glenbrook Street, Blaikie Road and M4 eastbound entry ramp at the corner of Mulgoa Road and M4 eastbound entry ramp.

The investigation work along Mulgoa Road, Glenbrook Street and Blaikie Road will be carried out for up to **7 shifts** between **Wednesday 12 December** and **Friday 21 December 2018**, weather permitting. Work during the day will occur on weekdays between **7am** and **6pm** and on Saturday between **8am** and **1pm**. Work at night is expected to occur on some weekdays and weekend nights between **8pm** and **6am**.

Night work will also be carried out at the corner of Mulgoa Road and M4 eastbound entry ramp on **Wednesday 12 December** between **8pm** and **6am**, weather permitting.

## How will the work affect you?

Our work may be noisy at times but we will do everything we can to minimise its impact, including completing the noisier tasks by **11pm** where possible and turning off machinery when not in use.

## Traffic changes

There will be temporary traffic changes in place to ensure the work zone is safe for workers and motorists. Traffic flow on Mulgoa Road and all local roads within the work area will be maintained in both directions. The left turn lane from Mulgoa Road to M4 eastbound entry ramp will be closed and the traffic will be rerouted around the signal light island onto M4 eastbound. Advanced warning signs will also be in place to direct road users through these changes.

For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

## Contact

If you have any questions, please contact the project team on 1800 733 084 or email [mulgoaroadupgrade@rms.nsw.gov.au](mailto:mulgoaroadupgrade@rms.nsw.gov.au).

Please email your details to the address above if you would like to know about updates regarding the project over email.

For more information on our projects, visit [www.rms.nsw.gov.au/projects/sydney-west](http://www.rms.nsw.gov.au/projects/sydney-west). Thank you for your patience during this important work.

If you need help understanding this information, please contact the Translating and Interpreting Service on 131 450 and ask them to call us on 1800 733 084.
