

## **Preliminary planning and investigations on Nelson Bay Road from Williamtown to Bobs Farm from late April**

The NSW Government is investing \$275 million to improve safety and travel times on Nelson Bay Road including duplicating the road from Williamtown to Bobs Farm and early work to upgrade the Nelson Bay Road and Lemon Tree Passage Road intersection and the Nelson Bay Road and Medowie Road intersection.

Roads and Maritime Services is carrying out preliminary planning and investigation work on the project to duplicate Nelson Bay Road from Williamtown to Bobs Farm. Investigation work includes site investigations by environmental and Aboriginal heritage specialists.

We will also be monitoring traffic movements and surveying the road corridor, property boundaries, driveways and footpaths. This preliminary planning and investigation work will be ongoing over the coming months. We have included a map to help explain the project.

### **How will the work affect you?**

The work does not involve the use of machinery and there will be no noise or lighting impacts. You may however notice Roads and Maritime Services staff and external contractors undertaking assessments along the Nelson Bay Road corridor.

### **Traffic changes**

There will be some temporary traffic changes to ensure the work zone is safe.

Traffic control may be in place at times. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

### **Early work already completed on Nelson Bay Road**

We have already completed early work on Nelson Bay Road and have duplicated a number of sections of road including Bobs Farm to Anna Bay, Richardson Road to Lemon Tree Passage Road and Stockton Bridge to Fern Bay.

The intersection upgrade of Nelson Bay Road and Medowie Road is scheduled to be completed in June, weather permitting. Planning for the Nelson Bay Road and Lemon Tree Passage Road intersection upgrade is continuing with work scheduled to start in December 2019.

## Contact

If you have any questions, please contact our Project Manager, Chad Stockham on 02 4908 7673 or [chad.stockham@rms.nsw.gov.au](mailto:chad.stockham@rms.nsw.gov.au). For more information on our projects, visit [rms.nsw.gov.au](http://rms.nsw.gov.au).

We will continue to keep the community informed as the project progresses. Thank you for your patience during this important work.

### Nelson Bay Road duplication

Planning for the future

Better and more reliable trips for people, business and freight

Improving safety
