

## Subscribe for updates on the Newell Highway and Mitchell Highway intersection upgrade

The NSW Government is funding \$20 million to upgrade the Newell Highway and Mitchell Highway intersection to improve safety and efficiency.

We will keep the community updated on the progress of the project and any work that might impact you. We would like to provide information in the way that is easiest and most accessible for you. Transport has a database of contact details for people in Dubbo who provided information during the Building a better Dubbo display in mid-2019 or have since subscribed to receive updates.

To ensure residents and business owners near the intersection are kept informed about this project, we would like add your name and address, mobile phone and email address to our database so we can provide you with information about our work as quickly and easily as possible. We will also be able to provide you with information specifically about this intersection upgrade.

If you would like to provide your details, please call 1800 803 818 (toll free) or email [dubboprojects@rms.nsw.gov.au](mailto:dubboprojects@rms.nsw.gov.au) and please let us know if you would prefer to receive information via email, text message or via your mailbox.

### COVID-19

The Coronavirus outbreak is a dynamic situation and Transport is working closely with all levels of government and across the transport industry to maintain essential services and to keep people safe.

We are looking ways to ensure our customers are informed and how we can engage with you safely during this time. We have established a Transport dedicated taskforce to coordinate planning and preparations to keep our people and customers safe, and to respond to and support the NSW and Australian governments.

Transport is represented on the State Emergency Operations Centre, we are in regular contact with NSW Health and take all advice provided by Health officials, and we are supporting the NSW Government's containment response to Coronavirus.

**Privacy Statement:** Transport for NSW is committed to protecting your personal information.
