

## Northern Beaches Hospital road upgrade – Temporary traffic changes at Warringah Road and Hilmer Street intersection on Thursday 27 June

The NSW Government is upgrading roads around the new Northern Beaches Hospital to increase capacity on the road network and improve access through the area

Roads and Maritime Services is upgrading **Warringah Road** and **Hilmer Street** as part of the Northern Beaches Hospital road upgrade project.

To complete this work, traffic changes will be in place overnight on **Hilmer Street** at the intersection of **Warringah Road** from 8pm Thursday 27 June, weather permitting.

During this time, the following key activities will take place:

- milling, road resurfacing, and asphaltting
- line marking and traffic signal work.

### Traffic changes on Thursday 27 June

From **8pm Thursday 27 June to 5am Friday 28 June 2019**, **Hilmer Street** will be closed from **Warringah Road to Primrose Avenue**, weather permitting. We will also turn off the traffic lights at the Warringah Road and Hilmer Street intersection during this time. Police will be onsite directing traffic during the outage.

Access will be temporarily **unavailable to Warringah Road from Hilmer Street**. Motorists will detour via **Bantry Bay Road** or **Fitzpatrick Avenue East**. Access for Hilmer Street residents affected by the closure will be available via Primrose Avenue, under the direction of traffic controllers.

### Map of closure and detour

## How will the work affect you?

The work will involve the use of machinery which may generate some noise. We will use noise shields to dampen noise where appropriate and ensure equipment and vehicles are turned off when not in use.

Potential congestion and delays may take place in this area including Warringah Road, Forest Way, Fitzpatrick Avenue East, Primrose Avenue, Bantry Bay Road, Rodborough Road and Allambie Road.

Motorists are encouraged to plan ahead, follow the direction of signage, and to keep to speed limits while this traffic arrangement is in place.

Pedestrian access will be maintained at all times, although temporary detours may be in place.

The temporary traffic changes are needed to upgrade the road and to ensure the safety of workers, motorists, cyclists and pedestrians and will affect travel times. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW app.

## Contact

We are committed to minimising the impact of construction on the community and will continue to keep you informed as the project progresses. If you have any questions, would like to register for project and traffic updates or have any feedback, please contact our delivery partner, Ferrovial York Joint Venture.

**Call:** 1800 014 307 (free call 24 hours per day)
