

Temporary road closure of Bantry Bay Road from Monday 27 June

The NSW Government is upgrading roads around the new Northern Beaches Hospital with work proposed to be completed in time for the hospital opening in 2018.

Roads and Maritime Services will close Bantry Bay Road off Warringah Road from **Monday 27 June until the end of the project.**

The work to close access to Bantry Bay Road will involve:

- Setting up a compound area for construction activity
- Installing traffic controls
- Installing site fencing to delineate the work area
- Establishing safe access and egress points for workers and vehicles
- Changing pedestrian access.

This work will be carried out during our standard construction hours of **7am to 6pm** on **weekdays** and **8am to 1pm** on Saturdays.

Please see map for location of the work.

The road closure will be in place at all times from **Monday 27 June** until **the end of the project.**

How will the work affect you?

There will be some minor traffic delays associated with the closure of Bantry Bay Road. Vehicles and pedestrians will be detoured around Hilmer Street and Primrose Avenue, as shown in the map.

Contact

We are committed to minimising the impact of construction on the community and will continue to keep you informed as the project progresses. Pedestrian access will be maintained at all times, although minor temporary detours may be in place during the work. If you have any questions, would like to register for project updates or have any feedback, please contact Ferrovial York Joint Venture.
