

## Traffic changes on Warringah Road between Rodborough Road and Allambie Road and Warringah Road / Allambie Road intersection from Monday 8 January 2018

The NSW Government is upgrading roads around the new Northern Beaches Hospital to increase capacity on the road network and improve access through the area

Roads and Maritime Services will change traffic conditions between Rodborough and Allambie roads and at the intersection of Warringah Road and Allambie Road. The changes will take place from **Monday 8 January 2018**, for about three weeks (weather permitting).

### Warringah Road and Allambie Road

Roads and Maritime Services will close the kerbside lane on Warringah Road eastbound between Rodborough Road and Allambie Road.

Changed line marking will allow for two lanes of through traffic and one lane for right hand turning from Warringah Road into Allambie Road. Delays are expected for eastbound traffic on Warringah Road, particularly for vehicles turning right. Motorists are encouraged to allow extra travel time.

During the traffic changes, the following work will be undertaken:

- Ausgrid cutover
- removing redundant power poles
- completing drainage work
- milling and road resurfacing
- removing the kerb and gutter
- installing new pedestrian footpath
- landscaping.

## Night work

Work to establish the new traffic arrangements on Warringah Road / Allambie Road will take **one night shift** to complete, weather permitting.

Due to the high volume of traffic and pedestrians in the area, this work will be carried out between **8pm on Monday 8 January** and **5am on Tuesday 9 January 2018**.

Additional night work may be required to complete the drainage work. Further notifications and work updates will be distributed as required.

## How will the work affect you?

The work will involve the use of machinery which may generate some noise. We will use noise shields to dampen noise where appropriate and ensure equipment and vehicles are turned off when not in use. We will focus lights only on the working area, however there is likely to be some spill-over of light into some nearby residences.

## Traffic changes

The temporary traffic changes are needed to ensure the safety of workers, motorists, cyclists and pedestrians and may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

Pedestrian access will be maintained at all times, although minor temporary detours may be in place.

## Contact

We are committed to minimising the impact of construction on the community and will continue to keep you informed as the project progresses. If you have any questions, would like to register for project and traffic updates or have any feedback, please contact our delivery partner, Ferrovial York Joint Venture.

**Call:** 1800 014 307 (free call 24/7)

**Email:** [nbhcommunity@ferrovialyork.com.au](mailto:nbhcommunity@ferrovialyork.com.au)

**Write:** PO Box 6040, Frenchs Forest NSW 2086

**Visit:** Community Information Centre, Cnr Wakehurst Parkway and Warringah Road (north eastern corner), Frenchs Forest NSW 2086, open 9am – 5pm, Monday to Friday

**Website:** [rms.nsw.gov.au/nbh](http://rms.nsw.gov.au/nbh)

Thank you for your patience during this important work.
