

Community Agreement – Saturday & Sunday Works Stage 2, May 2018

What are we Asking the Community to Agree to?

3.1 The Agreement

When contacting residents, the following points have been used as the basis for the agreement:

- The planned works will be undertaken on the weekend to ensure the traffic switch meets our program, scheduled for May 2018.
- The works will take place on the weekend of Saturday 19 May and Sunday 20 May.
- Saturday extra hours will be 1pm to 6pm, and Sundays it will be 8am to 5pm.
- Any high noise impact works will not commence until after 9am.
- Workers will be tool-boxed beforehand, reminding them to keep noise and conversation to a minimum.
