

Northern Beaches Hospital road upgrade Traffic changes to Forest Way and Naree Road intersection from Tuesday 28 March

The NSW Government is upgrading roads around the new Northern Beaches Hospital with work proposed to be completed in late 2018.

As part of the upgrade, Roads and Maritime Services will implement traffic changes at Forest Way, Naree Road and Russell Avenue from **Tuesday 28 March**.

Lane closure on Forest Way

One lane will be closed on **Forest Way**, between **Warringah Road** and **Adams Street**.

The new arrangement will include two lanes of traffic heading northbound and three lanes of traffic heading southbound. This arrangement will be in place for a minimum of six months.

Naree Road and Forest Way intersection

Temporary changes to the intersection of Naree Road and Forest Way involve:

- installing **No Right Turn** on Forest Way, preventing vehicles from turning right into Naree Road
- installing **No Right Turn** on Naree Road, preventing vehicles from turning right onto Forest Way.

Access to and from the Naree Road and Forest Way intersection will be left in and left out only.

Night work

Work to establish the new traffic arrangements on Forest Way and at the Naree Road and Forest Way intersection will take **one night shift** to complete on **Monday 27 March**, weather permitting.

Due to the high volume of traffic and pedestrians in the area, this work will be carried out between **8pm** and **5am** for safety reasons and to limit delays on the road network.

The lane closure and temporary intersection changes will be in place for motorists from 5am, Tuesday 28 March.

We have included a map to show the location of the work and traffic changes.

How will the work affect you?

The work will involve the use of machinery which may generate some noise. We will make every effort to minimise impact by notifying the community and motorists. We will use noise shields to dampen noise where appropriate and ensure equipment and vehicles are turned off when not in use. We will focus lights only on the working area, however there is likely to be some spill-over of light into some nearby residences.

Traffic changes

There will be temporary traffic changes to ensure the safety of workers, motorists, cyclists and pedestrians. These changes are outlined above.

Lane closures and temporary detours may affect travel times.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
