

Northern Beaches Hospital road upgrade – temporary lane closures on Warringah Road, Frenchs Forest in February

The NSW Government is upgrading roads around the new Northern Beaches Hospital to increase capacity on the road network and improve access through the area.

Roads and Maritime Services is continuing to build the new bridges at Forest Way, Hilmer Street and Wakehurst Parkway to go over the future Warringah Road underpass. Temporary traffic changes are required to build these bridges **over two weekends**:

- **Saturday 9 and Sunday 10 February**
- **Saturday 16 and Sunday 17 February.**

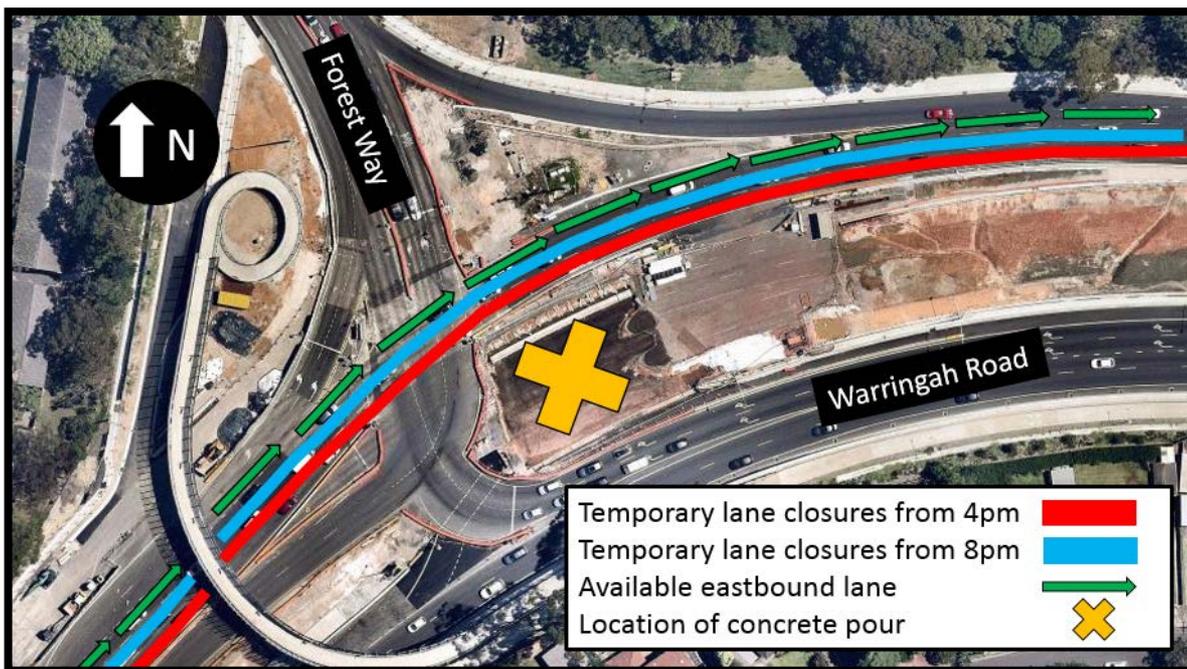

On both weekends the work will involve:

- temporary lane closures
- setting up work areas for concrete pumps and other machinery
- moving concrete trucks
- pouring concrete.

Weekend one: Warringah Road lane closures at Forest Way

From **4pm Saturday 9 February to 8am Sunday 10 February**, the three eastbound lanes of Warringah Road will be progressively reduced to one lane to allow for concrete pouring, weather permitting.

Motorists turning in and out of Forest Way at Warringah Road will remain unaffected.

Motorists turning in and out of Hilmer Street and Wakehurst Parkway at Warringah Road will remain unaffected.

How will the work affect you?

Motorists can expect delays in this area including along Warringah Road, Forest Way and Wakehurst Parkway. Motorists are encouraged to plan ahead, use Frenchs Forest Road where possible, and allow extra travel time.

This temporary traffic management is needed to ensure the safety of workers, motorists, cyclists and pedestrians and will affect travel times.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW app.

Bus routes will not be affected by these traffic changes.
