As part of the upgrade, Roads and Maritime will implement temporary traffic changes along Forest Way, from **Tuesday 5 September**.

One lane will be closed northbound on Forest Way, between Warringah Road and Adams Street.

The new arrangement will include two lanes of traffic northbound and three lanes of traffic southbound. This arrangement will be in place from **5am on Wednesday 6 September**, for a minimum of six months.

Please note the no right turn in and out of Naree Road to and from Forest Way will be maintained during this period.
