

Northern Beaches Hospital road upgrade – Geotechnical investigation work on Forest Way from Monday 19 August

The NSW Government is upgrading roads around the new Northern Beaches Hospital to increase capacity on the road network and improve access through the area

Roads and Maritime Services has been relocating services and working along the road corridor as part of the Northern Beaches Hospital road upgrade project.

To progress work on **Forest Way**, we will carry out geotechnical investigations from **Monday 19 August** to **Wednesday 18 September**, weather permitting. This work will allow us to select a site for a new electronic message sign.

This work involves:

- temporary lane closures and establishing traffic controls on the road
- excavating a bore hole to assess the ground conditions
- potholing using a vac truck.

Map of work area

Working hours

The work will be carried out during our standard construction hours between **7am** and **6pm** from **Monday** to **Friday**, and between **8am** to **1pm** on **Saturday**. Due to the high volume of traffic and pedestrians in the area, some work will be carried out outside standard construction hours for safety reasons and to limit delays on the road network. This out of hours work will be carried out between **8pm** and **5am** from **Monday** to **Friday**.

Further notifications about specific work activities will be distributed as required.

How will the work affect you?

The work will involve the use of machinery which may generate some noise. We will use noise shields to reduce noise where appropriate and ensure equipment and vehicles are turned off when not in use.

Traffic changes

During this time delays may take place in the area including along Forest Way, Bambara Road and Prince Charles Road.

Motorists are encouraged to plan ahead, follow the directions of signage and keep to speed limits while this traffic arrangement is in place.

Pedestrian access will be maintained at all times, although temporary detours may be in place.

The temporary traffic changes are needed to upgrade the road and to ensure the safety of workers, motorists, cyclists and pedestrians.

Contact

We are committed to minimising the impact of construction on the community and will continue to keep you informed as the project progresses. If you have any questions, would like to register for project and traffic updates or have any feedback, please contact our delivery partner, Ferrovial York Joint Venture.

Call: 1800 014 307 (free call 24 hours per day)

Email: nbhcommunity@ferrovialyork.com.au

Write: PO Box 6040, Frenchs Forest NSW 2086

Visit: Community Information Centre, Cnr Wakehurst Parkway and Warringah Road (north eastern corner), Frenchs Forest NSW 2086, from 9am – 5pm, Monday to Friday
