

## Installation of groundwater monitoring bore at Akora Reserve, Frenchs Forest on Monday 22 August

The NSW Government is upgrading roads around the new Northern Beaches Hospital with work proposed to be completed in time for the hospital opening in 2018.

Roads and Maritime Services will install a groundwater monitoring bore as part of the road construction work on **Monday 22 August**.

The work will involve setting up a drilling rig and exclusion fencing around the work site.

We have provided a map to show the location of the work.

This work will be carried out during our standard construction hours of **7am to 6pm on Monday 22 August**, weather permitting.

## How will the work affect you?

There will be some noise associated with the work. Machinery and equipment used may include a drilling rig, light vehicles and hand tools.

Akora Park will stay open during the work, with safety fencing around the work site.

## Traffic changes

Pedestrian access will be maintained at all times, although minor temporary detours may be in place during the work, please follow signs and direction of the site crews. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.
