

Work planned for this weekend has been postponed due to forecast wet weather. This work is now scheduled to start from 5am Wednesday 29 August to 10pm Friday 31 August, weather permitting.

Thank you for your understanding while we complete this important work.

August 2018

Temporary closure of Rabbett Street north of the Frenchs Forest Road West and Naree Road intersection for stormwater drainage work from Friday 24 August 2018

The NSW Government is upgrading roads around the new Northern Beaches Hospital to increase capacity on the road network and improve access through the area

Roads and Maritime Services is continuing work to upgrade Naree Road and Frenchs Forest Road West to two lanes in each direction as part of the Northern Beaches Hospital road upgrade project.

The northern side of Rabbett Street at the intersection of Naree Road and Frenchs Forest Road West will be temporarily closed to allow for stormwater drainage work from **8pm Friday 24 August** to **5am Monday 27 August** and **8pm Friday 31 August** to **5am Monday 3 September**, weather permitting.

During the temporary closure, the following key activities will take place:

- excavating and backfilling trenches
- cleaning drainage pits with a vacuum truck
- installing drainage, kerb and gutters
- constructing the footpath
- milling, road resurfacing and asphaltting.

Pedestrian access will be maintained at all times, although temporary detours may be in place.

Temporary closure and detour map

How will the work affect you?

The work will involve the use of machinery which will generate some noise and vibration. We will use noise shields to dampen noise where appropriate and ensure equipment and vehicles are turned off when not in use. When in close proximity to the work, you may feel vibrations in your house, on occasions. Although this may cause some discomfort for a short time, due to our careful planning, the risk of structural impact on your home is very low.

We will focus lights only on the working area. However, there is likely to be some spill-over of light into some nearby residences.

Traffic changes

The temporary traffic changes are needed to upgrade the road and to ensure the safety of workers, motorists, cyclists and pedestrians and will affect travel times. There will be a detour in place, as outlined in the map below. Please keep to the speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW app.

Are you studying for the Higher School Certificate?

We're planning our work program and would like to know of students within or near the project area, who are sitting for Higher School Certificate (HSC) examinations from Thursday 18 October to Friday 9 November 2018.

We would like to discuss how we can minimise the impact of our work leading up to and during the exam period. Options may include scheduling work outside of areas and times where students will be studying, carrying out less noisy activities, and providing specific noise mitigation measures where appropriate.

If a member of your household is studying for the HSC, please contact our delivery partner Ferrovial York Joint Venture by 31 August.

Contact

We are committed to minimising the impact of construction on the community and will continue to keep you informed as the project progresses. If you have any questions, would like to register for project and traffic updates or have any feedback, please contact our delivery partner, Ferrovial York Joint Venture.

Call: 1800 014 307 (free call 24 hours per day)

Email: nbhcommunity@nbhr.com.au

Write: PO Box 6040, Frenchs Forest NSW 2086

Visit: Community Information Centre, Cnr Wakehurst Parkway and Warringah Road (north eastern corner), Frenchs Forest NSW 2086, Open 9am – 5pm, Monday to Friday
