

Traffic changes at the intersection of Rabbett Street, Frenchs Forest Road West and Naree Road and two lanes in each direction open on Naree Road and Frenchs Forest Road West from 5 October 2018

The NSW Government is upgrading roads around the new Northern Beaches Hospital to increase capacity on the road network and improve access through the area

Roads and Maritime Services has been carrying out work to complete the upgrade of Naree Road and Frenchs Forest Road West.

From **Friday 5 October** the following traffic changes will be implemented:

- new traffic lights will be in operation at the intersection of Rabbett Street, Frenchs Forest Road West and Naree Road
- Naree Road will be opened to two lanes of traffic in each direction
- Frenchs Forest Road West between Naree Road and Sylvia Place will be opened to two lanes of traffic in each direction.

Pedestrians will be able to use the traffic signals to safely cross the intersection of Rabbett Street, Frenchs Forest Road West and Naree Road.

Access to Forest Way from Rabbett Street will continue to be restricted to buses only between 6am and 10am Monday to Friday.

A reduced speed limit of 40km/h will remain in place on Frenchs Forest Road and Naree Road to finalise the work. Motorists are encouraged to plan ahead and allow extra travel time while the network adjusts to the traffic changes.
