

Northern Beaches Hospital road upgrade Installation of additional site compound and laydown area from Monday 15 May

The NSW Government is upgrading roads around the new Northern Beaches Hospital with work proposed to be completed in 2018.

Roads and Maritime Services will establish a new site compound and laydown area from **Monday 15 May** on Warringah Road, near Forest Way.

Work to establish the site will take around two weeks to complete, weather depending. This work will be carried out from **7am to 6pm** between **Monday** and **Friday**, and **8am to 1pm** on **Saturday**.

The compound will be used for the duration of the project and may be used outside our standard working hours. Any work outside of these hours will be carried out in accordance with the project approvals and the community will be notified in advance.

The work will involve:

- establishing the site
- installing fencing and environmental controls
- clearing and trimming vegetation
- installing site sheds.

The site compound will be used for:

- laydown area for equipment
- storage of materials including stockpiling non-contaminated materials
- car parking for workers
- storage of containers
- site amenity sheds for workers
- delivery of plant and equipment.

We have provided a map indicating the location of the work and new site compound.

How will the work affect you?

There may be some noise and possible disruption associated with this work including vehicle movements during set up and use of this facility. Machinery and equipment used during the setup may include excavators, trucks, rollers, mobile cranes, concrete trucks and equipment, power generators, hand tools and light vehicles. Every effort will be made to minimise impact to the local community.

Traffic changes

There will be some temporary traffic controls to ensure the work zone is safe. Lane closures may be in place and may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
