

## Slip lane opening at corner of Wakehurst Parkway and Frenchs Forest Road East from Friday 7 July

### The NSW Government is upgrading roads around the new Northern Beaches Hospital with work proposed to be completed in late 2018.

Roads and Maritime Services has been upgrading the intersection of Wakehurst Parkway and Frenchs Forest Road, as part of the Northern Beaches Hospital road upgrade. The slip lane from Frenchs Forest Road East turning left into Wakehurst Parkway will be opened to traffic from **Friday 7 July**. A section of the shared user path will also be opened for pedestrians and cyclists.

#### Traffic changes

Traffic changes will include the following:

- shifting the existing left turn slip lane slightly to the south
- allowing westbound traffic to turn left onto Wakehurst Parkway from Frenchs Forest Road East
- removing the designated bus lane on Frenchs Forest Road East, next to the intersection. Buses will use the normal traffic lanes.

There will be no changes to the westbound traffic through lane into Frenchs Forest Road West or the right hand turn lane onto Wakehurst Parkway.

A section of the new shared user path from Wakehurst Parkway to 81 Frenchs Forest Road East will be open, for pedestrians and cyclists access.

We have included a map of the work area overleaf.

#### How will the work affect you?

We will be adjusting the placement of the barriers to allow for the traffic changes.

Keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.
