

Northern Beaches Hospital road upgrade – Temporary traffic changes at night along Warringah Road, Wakehurst Parkway and Frenchs Forest Road from Monday 28 September

The NSW Government has upgraded roads around the Northern Beaches Hospital increasing capacity on the road network and improving access through the area.

Transport for NSW is finalising construction activities on **Warringah Road, Frenchs Forest Road** and **Wakehurst Parkway** as part of the Northern Beaches Hospital road upgrade project.

From **8pm Monday 28 September** to **5am Monday 19 October**, weather permitting, temporary lane closures will be in place at night at the intersections of Warringah Road and Wakehurst Parkway, and Wakehurst Parkway and Frenchs Forest Road East and West to install electronic message signs.

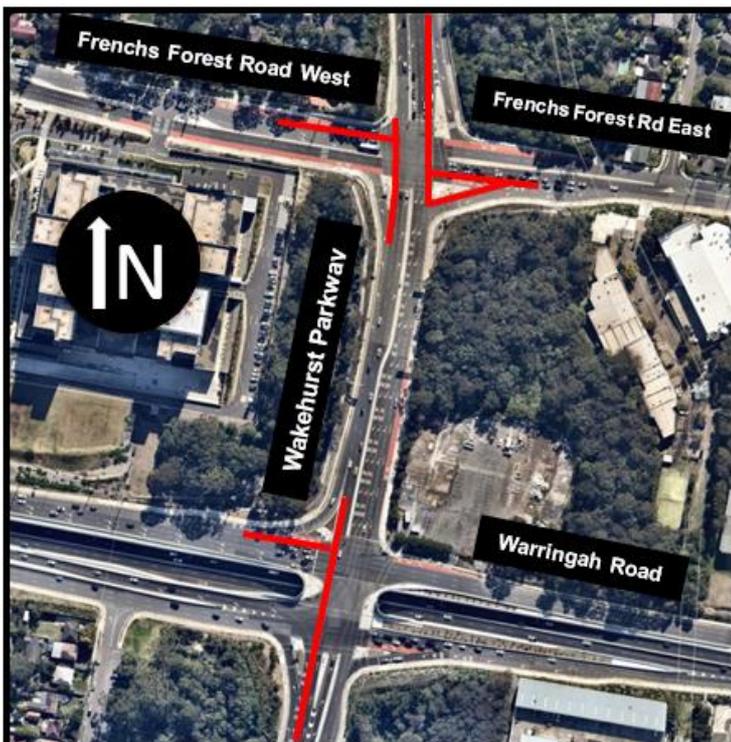

Access through the area will be maintained while we complete this work, however there will be temporary lane closures in place including:

- Warringah Road eastbound at the intersection of Wakehurst Parkway
- Wakehurst Parkway northbound at the intersections of Warringah Road and Frenchs Forest Road
- Wakehurst Parkway southbound at the intersection of Frenchs Forest Road
- Frenchs Forest Road in both an east and westbound direction at the intersection of Wakehurst Parkway

Access to the Warringah Road underpass and Northern Beaches Hospital will be maintained.

Lane capacity will be reinstated at the end of each night shift of work.

Map of traffic change

What will the work involve?

The work involves:

- temporary lane closures
- installation of electronic message signs.

How will the work affect you?

Motorists should please keep to speed limits and follow the direction of traffic controllers and signs.

The work will involve the use of machinery which will generate some noise. We will use noise shields to dampen noise where possible and ensure equipment and vehicles are turned off when not in use. We will focus lights only on the working area. However, there is likely to be some spill-over of light into nearby residences.

During this time delays may take place in the area including along Warringah Road, Wakehurst Parkway and Frenchs Forest Road East and West. Motorists are encouraged to plan ahead and allow extra travel time.

Traffic changes

Temporary traffic changes are needed to ensure the safety of workers and road users and may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW app.

Pedestrian access will be maintained at all times but detours may be in place. Bus routes will not be impacted.

Contact

We are committed to minimising the impact of construction on the community and will continue to keep you informed as the project progresses. If you have any questions, would like to register for project and traffic updates or have any feedback, please contact our delivery partner, Ferrovial York Joint Venture.

Call: 1800 014 307 (free call 24 hours per day)

Email: nbhcommunity@nbhr.com.au

Write: PO Box 6040, Frenchs Forest NSW 2086
