

Extension of date for the closure of Frenchs Forest Road East at Warringah Road revised to open Friday 12 October 2018

The NSW Government is upgrading roads around the new Northern Beaches Hospital to increase capacity on the road network and improve access through the area

We wrote to you recently to advise Frenchs Forest Road East at Warringah Road will be temporarily closed from Tuesday 2 October to Tuesday 9 October.

However, the work requiring this closure has been extended due to wet weather. The road will now open at **5am Friday 12 October**, weather permitting. We apologise for any inconvenience this may cause.

Local access will be available during this time via the Frenchs Forest Road East, Patanga Road and Allambie Road intersection under the direction of traffic controllers.

Pedestrian access will be maintained at all times, although temporary detours may be in place.

During the closure for the following key activities will take place:

- excavating and backfilling trenches
- constructing the footpath
- installing drainage, kerb and gutters
- milling, road surfacing and asphaltting.

When the road reopens the car parking east of the KFC driveway will be open. New traffic lights will be in operation at the intersection of Frenchs Forest Road East and Warringah Road from mid-October.

Map of closure and detour

Traffic changes during the work

There will be no exit from or entry to Frenchs Forest Road East at Warringah Road during the closure. Access to KFC and Skyline Shops will be maintained during the work via the Allambie Road intersection. Traffic management and signage will be in place to assist motorists through these changed conditions.

The bus stop on Frenchs Forest Road East, east of Skyline shops will be temporarily closed. Check signs at stops or visit transportnsw.info for details of the nearest alternatives.

The temporary traffic changes are needed to upgrade the road and to ensure the safety of workers, motorists, cyclists and pedestrians and will affect travel times. A detour will be in place, as outlined in the map above. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW app.

Working hours

Work on Frenchs Forest Road East and Warringah Road will be carried out between **7am and 6pm** from **Monday to Friday** and between **8am and 6pm** on **Saturday**.

How will the work affect you?

The work will involve the use of machinery which may generate some noise. We will use noise shields to dampen noise where appropriate and ensure equipment and vehicles are turned off when not in use.

We will focus lights on the working area, however some light may spill-over into some nearby homes.

Contact

We are committed to minimising the impact of construction on the community and will continue to keep you informed as the project progresses. If you have any questions, would like to register for project and traffic updates or have any feedback, please contact our delivery partner, Ferrovial York Joint Venture.
