

Northern Beaches Hospital road upgrade – Temporary traffic changes at night on Warringah Road and Fitzpatrick Avenue East and West from Thursday 13 February

The NSW Government is upgrading roads around the Northern Beaches Hospital to increase capacity on the road network and improve access through the area

Transport for NSW is upgrading **Warringah Road** as part of the Northern Beaches Hospital road upgrade project.

To continue this work, traffic changes will take place on **Warringah Road** across three nights from **Thursday 13 February to Tuesday 18 February 2020**, weather permitting.

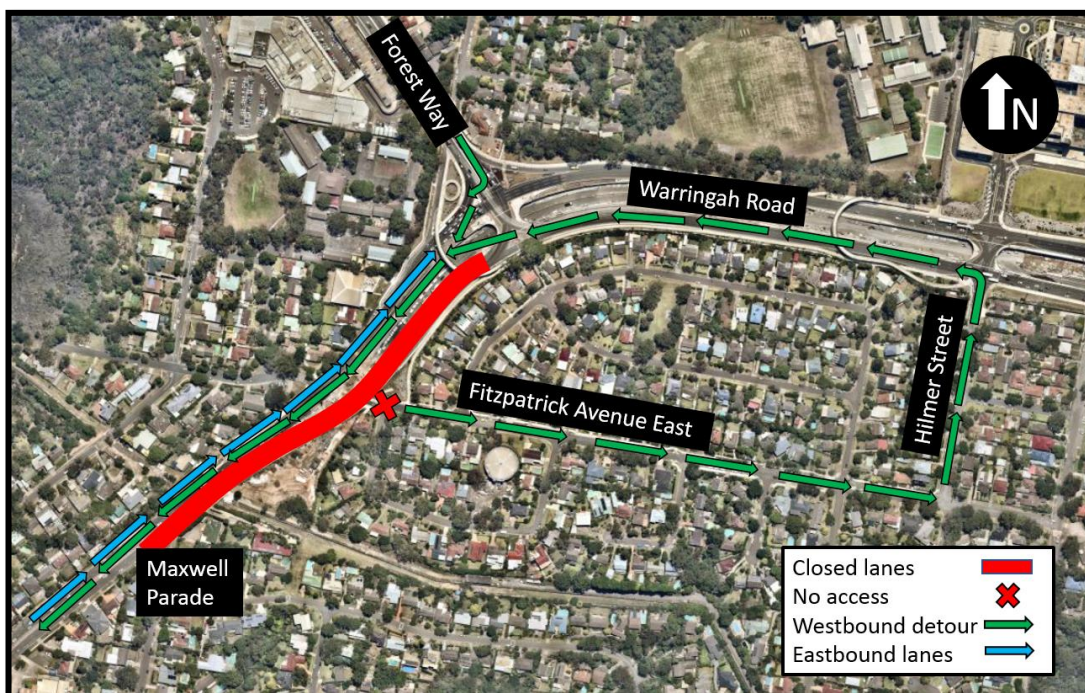

Nights one and two: Thursday 13 February and Friday 14 February

From **9pm Thursday 13 February to 5am Friday 14 February** and from **9pm Friday 14 February to 7am Saturday 15 February 2020**, weather permitting, we will close **Fitzpatrick Avenue East** at the intersection of **Warringah Road** for road surface milling and asphaltting on Warringah Road. Detours will be in place and pedestrian access will be maintained.

During the closures, we will temporarily move westbound traffic on Warringah Road between Forest Way and Maxwell Parade to an eastbound lane in a contraflow arrangement.

While this night work is completed, we will turn off the traffic lights at the intersection of Warringah Road and Forest Way. Police will be onsite directing traffic during this time.

Map of the closure and detour

Night three: Monday 17 February

From **9pm Monday 17 February** to **5am Tuesday 18 February**, weather permitting, we will close Fitzpatrick Avenue West at the intersection of **Warringah Road** for road surface milling and asphaltting. Detours will be in place and pedestrian access will be maintained.

During the closure, we will temporarily move eastbound traffic on Warringah Road between Maxwell Parade and Forest Way to a westbound lane in a contraflow arrangement.

While this night work is completed, we will turn off the traffic lights at the intersection of Warringah Road and Forest Way. Police will be onsite directing traffic during this time.

How will the work affect you?

The work will involve the use of machinery which may generate some noise. We will use noise shields to dampen noise where appropriate and ensure equipment and vehicles are turned off when not in use.

Traffic changes

There may be delays in the area including on Warringah Road, Forest Way, Hilmer Street and Russell Avenue.

Motorists are encouraged to plan ahead, follow the direction of signage, and to keep to speed limits whilst this traffic arrangement is in place.

The temporary traffic changes are needed to upgrade the road and to ensure the safety of workers, motorists, cyclists and pedestrians and will affect travel times. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW app.

Contact

We are committed to minimising the impact of construction on the community and will continue to keep you informed as the project progresses. If you have any questions, would like to register for project and traffic updates or have any feedback, please contact our delivery partner, Ferrovial York Joint Venture.

Call: 1800 014 307 (free call 24 hours per day)
