

Northern Beaches Hospital road upgrade –Temporary traffic changes at Warringah Road and Wakehurst Parkway intersection from Saturday 6 July

The NSW Government is upgrading roads around the new Northern Beaches Hospital to increase capacity on the road network and improve access through the area.

Roads and Maritime Services is continuing to build a new bridge at Wakehurst Parkway to go over the future Warringah Road underpass.

To progress this work, there will be traffic changes at the intersection of **Warringah Road** and **Wakehurst Parkway** from **4am to 3pm on Saturday 6 July**, weather permitting.

The work involves:

- establishing temporary lane closures at the intersection of Warringah Road and Wakehurst Parkway
- setting up work areas for concrete pumps and other machinery
- concrete truck movements
- pouring and vibrating concrete.

Traffic changes

From **4am to 3pm on Saturday 6 July**, the following temporary traffic changes will be in place:

- one of two right turning lanes from **Warringah Road** eastbound onto **Wakehurst Parkway** southbound will be closed
- one of three **westbound** lanes on **Warringah Road** will be closed.

These temporary traffic changes are needed to ensure the safety of workers, motorists, cyclists and pedestrians and will affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW app.

Bus routes will not be affected by these traffic changes and work.

How will the work affect you?

Potential congestion and delays may take place in this area including along Warringah Road, Hilmer Street, Forest Way and Wakehurst Parkway. Motorists are encouraged to plan ahead, use Frenchs Forest Road where possible, and allow extra travel time.
