

Northern Beaches Hospital road upgrade project – Traffic changes at the intersection of Warringah Road and Frenchs Forest Road East from Wednesday 13 February

The NSW Government is upgrading roads around the new Northern Beaches Hospital to increase capacity on the road network and improve access through the area.

Roads and Maritime Services is upgrading Warringah Road and Frenchs Forest Road East as part of the Northern Beaches Hospital road upgrade project.

As part of this work, there will be traffic changes at the intersection of Frenchs Forest Road East and Warringah Road. This will include:

- Warringah Road eastbound will open to three lanes from Frenchs Forest Road East
- traffic lights will be introduced at the Frenchs Forest Road East and Warringah Road intersection

These changes are part of the final design of the road upgrade project and will improve safety for buses entering Frenchs Forest Road East. The traffic lights will be implemented in time for the PM peak on **Wednesday 13 February**, weather permitting.

Map of traffic changes

How will the traffic changes affect you?

Please take extra care and be prepared to stop when approaching the intersection of Frenchs Forest Road East and Warringah Road eastbound.

Please use caution when travelling through the new intersection and follow the directions of traffic controllers.

Motorists are encouraged to plan ahead, allow extra time and travel outside the peaks where possible.

Check livetraffic.com before you drive for the latest information on traffic conditions. You can also download a real-time road app to help you find your best route based on live traffic data.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW app.

Contact

We are committed to minimising the impact of construction on the community and will continue to keep you informed as the project progresses.
