

## Closure of Wakehurst Parkway from Friday 11 August until Monday 14 August

**The NSW Government is upgrading roads around the new Northern Beaches Hospital to increase capacity on the road network and improve access through the area.**

Roads and Maritime Services have been relocating services and working along the Wakehurst Parkway and Frenchs Forest Road East intersection. Further work to install drainage, pavements and construct the median will require a **closure of Wakehurst Parkway between Frenchs Forest Road and Warringah Road from 8pm on Friday 11 August to 5am on Monday 14 August.**

The work will involve:

- closing Wakehurst Parkway between Frenchs Forest Road and Warringah Road
- installing traffic controls
- installing site fencing to delineate the work
- pavement work
- drainage work
- median construction
- line marking.

This work will be carried out continuously over this period, 24 hours per day.

### Closure of Wakehurst Parkway

Wakehurst Parkway will be closed to general traffic between Warringah Road and Frenchs Forest Road. This closure is necessary to ensure the safety of workers and road users, and to allow the work to be carried out as efficiently as possible.

The closure will be in place from **8pm on Friday 11 August** until **5am on Monday 14 August**, weather permitting.

Detours will be in place for local traffic, but delays are expected. All non-local vehicles are encouraged to avoid the Wakehurst Parkway between Frenchs Forest and Narrabeen during the closure, and instead use alternative routes via Pittwater Road, Mona Vale Road, Forest Way and Warringah Road.

We have included a map to show the location of the work and the traffic changes.

### Traffic and transport changes

There will be temporary traffic changes to ensure the safety of workers, motorists, cyclists and pedestrians. These changes include a detour, so motorists are advised to please allow additional travel time. Electronic message signs, temporary signage and traffic controllers will alert road users to these temporary changes when they are in place.

---

Please keep to roadwork speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

The bus stop on Wakehurst Parkway after Frenchs Forest Road will be closed and Route 169 services will use a diverted route. For details visit [transportsw.info](http://transportsw.info) or call 131 500.

## How will the work affect you?

We will move existing barriers to allow for the traffic changes. This work will involve the use of machinery which may generate some noise. We will make every effort to minimise the impact by notifying the community and motorists. We will also use noise shields to dampen noise where appropriate and ensure equipment and vehicles are turned off when not in use.

We will focus lights only on the working area. However, there is likely to be some spill-over of light into some nearby residences.

## Detours for local traffic only

## Contact

We are committed to minimising the impact of construction on the community and will continue to keep you informed as the project progresses. If you have any questions, would like to register for project and traffic updates or have any feedback, please contact our delivery partner, Ferrovial York Joint Venture.

**Call:** 1800 014 307 (free call 24 hours per day)

**Email:** [nbhcommunity@ferrovialyork.com.au](mailto:nbhcommunity@ferrovialyork.com.au)

**Write:** PO Box 6040, Frenchs Forest NSW 2086

**Visit:** Community Information Centre, corner Wakehurst Parkway and Warringah Road (north eastern corner), Frenchs Forest NSW 2086, from 9am – 5pm, Monday to Friday

**Website:** [rms.nsw.gov.au/nbh](http://rms.nsw.gov.au/nbh)

Thank you for your patience during this important work.

### Translating and Interpreting Service

If you need an interpreter, please call the Translating and Interpreting Service (TIS National) on **131 450** and ask them to telephone Ferrovial York Joint Venture on 1800 014 307

#### Arabic
