

## Wakehurst Parkway between Warringah Road and Frenchs Forest Road partial weekend closures from Friday 3 August to Monday 20 August 2018

The NSW Government is upgrading roads around the new Northern Beaches Hospital to increase capacity on the road network and improve access through the area

Roads and Maritime Services has been carrying out work to upgrade Warringah Road and Wakehurst Parkway as part of the Northern Beaches Hospital road upgrade project.

Over three consecutive weekends in August, there will be **partial closures** of **Wakehurst Parkway** between **Warringah Road** and **Frenchs Forest Road** for drainage and road work. A number of detours will be in place while we complete the work. Traffic management and signage will be in place to assist motorists through these temporary conditions.

Pedestrian access will be maintained at all times, although temporary detours may be in place.

## How will the work affect you?

The work will involve the use of machinery which will generate some noise. We will use noise shields to dampen noise where appropriate and ensure equipment and vehicles are turned off when not in use.

We will focus lights only on the working area. However, there is likely to be some spill-over of light into some nearby residences.

## Are you studying for the Higher School Certificate?

We are planning our work program and would like to know of students within or near the project area, who are sitting for Higher School Certificate (HSC) examinations from Thursday 18 October to Friday 9 November 2018.

We would like to discuss options that we can take to minimise the impact of our work leading up to and during that period. Options may include scheduling work outside of areas and times where students will be studying, carrying out less noisy activities, and providing specific noise mitigation measures where appropriate.

If a member of your household is studying for the HSC, please contact our delivery partner Ferrovial York Joint Venture by 31 August.
