

Allambie Road and Warringah Road traffic changes from Friday 23 March

The NSW Government is upgrading roads around the new Northern Beaches Hospital to increase capacity on the road network and improve access through the area

Roads and Maritime Services will implement traffic changes along Allambie Road, north of the Warringah Road intersection and at the Warringah Road / Allambie Road intersection to complete the kerb, gutter and road along the northern side.

The changes will take place from **8pm on Friday 23 March** to **5am on Monday 26 March**, weather permitting.

Warringah Road and Allambie Road

Roads and Maritime will close the eastbound kerbside lane on Warringah Road between Rodborough Road and Allambie Road. Traffic will shift, allowing for two lanes of through traffic and one right turning lane from Warringah Road into Allambie Road.

Allambie Road one way

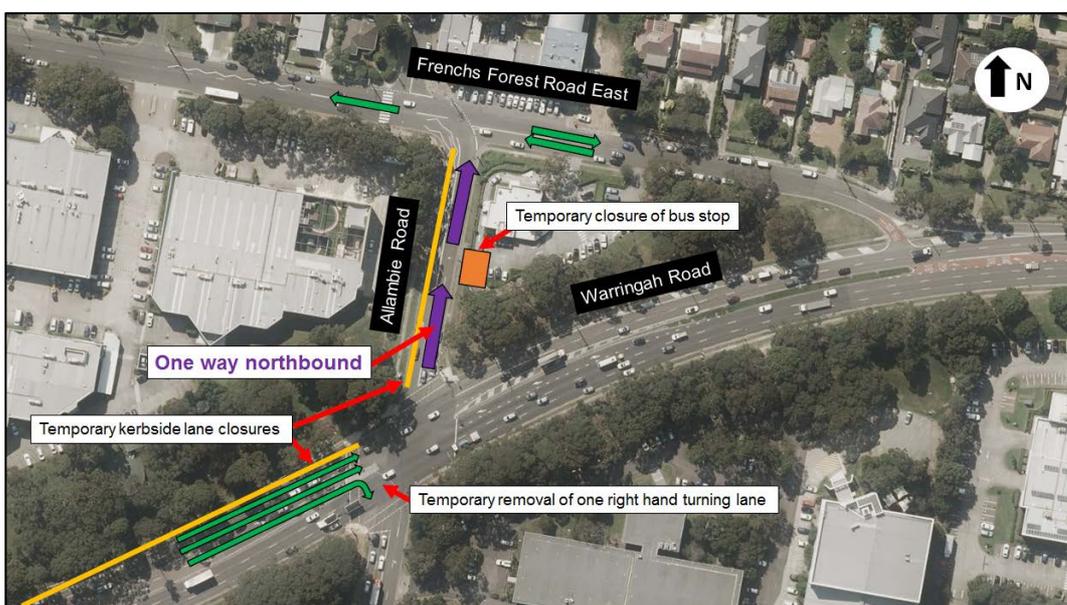

Allambie Road, north of Warringah Road intersection will become **one way for northbound traffic only**. The southbound lane will be closed and traffic will detour via Frenchs Forest Road or Warringah Road.

The bus stop on **Allambie Road** north of the Warringah Road intersection will be **closed** for the weekend. The closest alternative stop will be Allambie Rd after Rodborough Rd (about 5 mins walk).

Please visit transportnsw.info for more details and to plan your trip.

Additional work will be carried out at this intersection to allow for the completion of the upgrade. Further notifications and work updates will be distributed as required.

Traffic changes map

Road construction work

During the traffic changes, the following work will be undertaken:

- removing existing kerb, gutter and road
- excavating, milling and road resurfacing
- line marking.

Night work

Due to the high volume of traffic and pedestrians in the area, work along Warringah Road and Allambie Road will continue throughout the weekend, weather permitting.

How will the work affect you?

The work will involve the use of machinery which may generate some noise. We will use noise shields to dampen noise where appropriate and ensure equipment and vehicles are turned off when not in use. We will focus lights only on the working area, however some light may spill over into some nearby residences.

Traffic changes

The temporary traffic changes are needed to ensure the safety of workers, motorists, cyclists and pedestrians and may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Pedestrian access will be maintained via temporary detours.

Contact

We are committed to minimising the impact of construction on the community and will continue to keep you informed as the project progresses. If you have any questions, would like to register for project and traffic updates or have any feedback, please contact our delivery partner, Ferrovial York Joint Venture.

Call: 1800 014 307 (free call 24 hours per day)

Email: nbhcommunity@ferrovialyork.com.au

Write: PO Box 6040, Frenchs Forest NSW 2086

Visit: Community Information Centre, Cnr Wakehurst Parkway and Warringah Road (north eastern corner), Frenchs Forest NSW 2086, Open 9am – 5pm, Monday to Friday
