

Speed limit changes on Warringah Road, Wakehurst Parkway, Forest Way and Allambie Road from Monday 22 August

The NSW Government is upgrading roads around the new Northern Beaches Hospital with work proposed to be completed in time for the hospital opening in 2018.

Roads and Maritime Services will implement speed limit changes along sections of Warringah Road, Wakehurst Parkway, Forest Way and Allambie Road from Monday 22 August.

The speed limit will be reduced from **70km/h to 60km/h** on **Warringah Road, Wakehurst Parkway and Forest Way**, and reduced from **60km/h and 50km/h to 40km/h** on **Allambie Road**.

The speed limit changes will be implemented from **Monday 22 August**, and will be in place until the end of the project. Speed limits apply 24 hours, seven days a week (except in school zones where 40km/h speed limits apply).

These changes are necessary to ensure the safety of motorists, pedestrians and workers during construction of the Northern Beaches Hospital Road Upgrade Project.

The work will involve:

- Modifying speed limits
- Installing traffic controls, signage and concrete barriers
- Increasing heavy vehicle movements along these roads
- Establishing multiple safe construction site access and egress points for workers and vehicles.

Please see map below for locations of these changes.

Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe which may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs. Please note, roadwork speed limits are enforceable. For the latest traffic updates, please call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
