

Northern Beaches Hospital road upgrade – Temporary traffic changes at night from Tuesday 24 March to prepare for the Warringah Road underpass opening

The NSW Government is upgrading roads around the Northern Beaches Hospital to increase capacity on the road network and improve access through the area.

Transport for NSW has completed the 1.3 kilometre long underpass in the centre of Warringah Road.

In the lead up to the Warringah Road underpass opening to traffic, we will undertake asphalt work along **Warringah Road, Wakehurst Parkway, Fitzpatrick Avenue East and West, and Forest Way**.

This work will be carried out at night from **8pm Tuesday 24 March to 5am Saturday 28 March**, weather permitting.

While we complete this work:

- there will be temporary lane and road closures and contraflow arrangements in place
- access to the Northern Beaches Hospital and Forestway Shopping Centre will not be affected
- access to properties and businesses will be under the guidance of traffic controllers at night
- at times, we will also turn off the traffic lights at the intersections of Forest Way, Hilmer Street, Wakehurst Parkway and Allambie Road at Warringah Road. Police will be onsite directing traffic.

Detours will be in place and motorists should please keep to speed limits and follow the direction of traffic controllers and signs.

Lane capacity will be reinstated at the end of each night shift of work.

Map of traffic changes

What will the work involve?

The work involves:

- temporary lane and road closures with local detours to be in place
- asphaltting and line marking
- moving temporary barriers.

How will the work affect you?

Access to the Innovation Business Park will be via Aquatic Drive when contraflow arrangements are in place along Warringah Road.

The work will involve the use of machinery which will generate some noise. We will use noise shields to dampen noise where possible and ensure equipment and vehicles are turned off when not in use. We will focus lights only on the working area. However, there is likely to be some spill-over of light into nearby residences.

During this time delays may take place in the area including along Warringah Road, Wakehurst Parkway, Forest Way, Allambie Road and Frenchs Forest Road. Motorists are encouraged to plan ahead and allow extra travel time.

Traffic changes

Temporary traffic changes are needed to ensure the safety of workers and road users and may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW app.

Pedestrian access will be maintained at all times and when required, bus routes will be detoured accordingly.

Contact

We are committed to minimising the impact of construction on the community and will continue to keep you informed as the project progresses. If you have any questions, would like to register for project and traffic updates or have any feedback, please contact our delivery partner, Ferrovial York Joint Venture.

Call: 1800 014 307 (free call 24 hours per day)

Email: nbhcommunity@nbhr.com.au

Write: PO Box 6040, Frenchs Forest NSW 2086

Visit: Community Information Centre, Cnr Wakehurst Parkway and Warringah Road (north eastern corner), Frenchs Forest NSW 2086, Open 9am – 5pm, Monday to Friday
