

## Northern Beaches Hospital road upgrade – Temporary traffic changes along Warringah Road from Monday 14 October

The NSW Government is upgrading roads around the new Northern Beaches Hospital to increase capacity on the road network and improve access through the area.

Roads and Maritime Services is upgrading **Warringah Road** as part of the Northern Beaches Hospital road upgrade project.

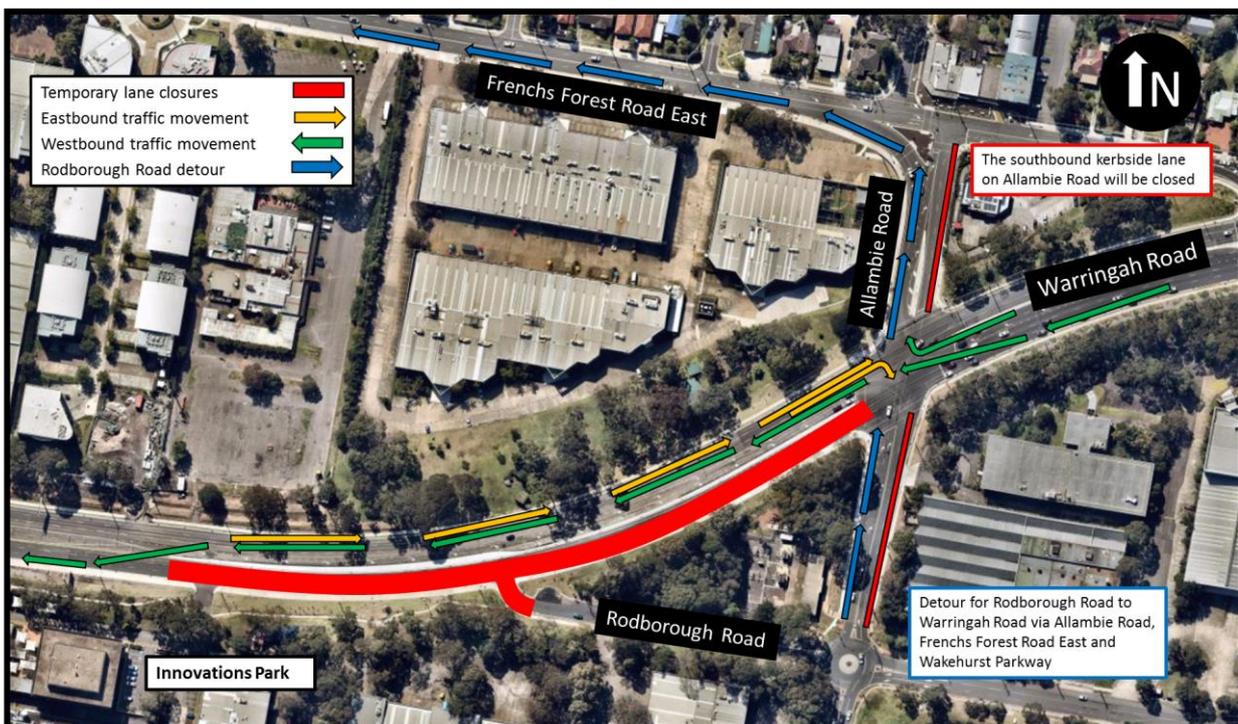

To continue this work, temporary traffic changes will take place along **Warringah Road** from **8pm Monday 14 October**, weather permitting. Should the work be postponed due to wet weather, it will be carried out on Tuesday 15 or Wednesday 16 October 2019, weather permitting.

### Traffic changes from 8pm Monday 14 October to 5am Tuesday 15 October

From **8pm Monday 14 October** to **5am Tuesday 15 October**, all **westbound** lanes on **Warringah Road** from **Allambie Road** to west of **Rodborough Road** will be closed. Motorists heading westbound on Warringah Road will travel on one of the eastbound lanes. During the work we will:

- reduce Warringah Road to one lane in each direction and place westbound traffic on an eastbound lane
- close one of the right turn lanes from Warringah Road to Allambie Road southbound
- close the southbound kerbside lane on Allambie Road. Southbound traffic should keep to the right
- close Rodborough Road at Warringah Road
- provide access to the Innovations Business Park via Aquatic Drive.

### Map of temporary traffic changes

## What will the work involve?

The work involves:

- temporary lane closures at night
- asphaltting and line marking
- removing temporary barriers.

We will also turn off the traffic lights at the intersection of Warringah Road and Allambie Road while this work is completed. Police will be onsite directing traffic during this time.

When the traffic changes are complete, lane capacity and all movements will be reinstated.

## Impacts to road users

There may be potential delays in this area including on Warringah Road and Allambie Road. Motorists are encouraged to plan ahead and allow extra time.

Detours, traffic management and signage will be in place to assist motorists through these temporary conditions. Please follow the directions of signage and keep to speed limits while this traffic arrangement is in place.

Motorists intending to turn left to Warringah Road at Rodborough Road will continue north on Allambie Road to turn left at Frenchs Forest Road East and Wakehurst Parkway.

## How will the work affect you?

The work will involve the use of machinery which may generate some noise. We will use noise shields to reduce noise where appropriate and ensure equipment and vehicles are turned off when not in use.

## Contact

We are committed to minimising the impact of construction on the community and will continue to keep you informed as the project progresses. If you have any questions, would like to register for project and traffic updates or have any feedback, please contact our delivery partner, Ferrovial York Joint Venture.

**Call:** 1800 014 307 (free call 24 hours per day)
