

Northern Beaches Hospital road upgrade – Installation of a new electronic message sign on Forest Way on Thursday 22 October

The NSW Government has upgraded roads around the Northern Beaches Hospital to increase capacity on the road network and improve access through the area.

We recently informed you about night work to install a new electronic message sign on **Forest Way** from **Monday 24 August 2020** to **Monday 30 November 2020**, weather permitting.

Our work to prepare the site has progressed well and we will install the electronic message sign on **Thursday 22 October** from 8pm to 5am, weather permitting. If the work is cancelled due to wet weather we will complete our work on Friday 23 October from 8pm to 5am instead, weather permitting.

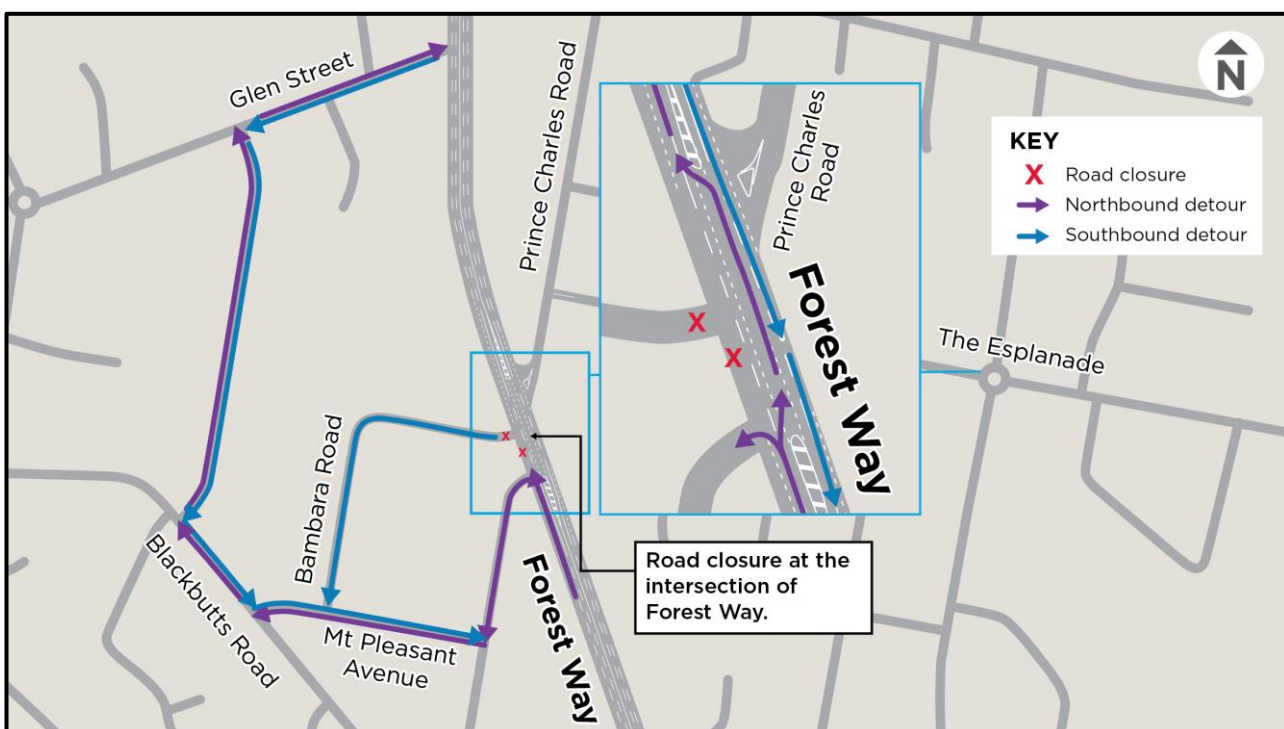

During night work, lane reductions will be in place for motorists travelling northbound on Forest Way. However, access will be maintained to Prince Charles Road (western side) and Bambara Road for motorists travelling northbound and southbound on Forest Way.

Traffic changes on Forest Way during sign installation

While the electronic message sign is installed, we will:

- close all northbound lanes on Forest Way from south of Prince Charles Road to north of Bambara Road and Forest Way northbound traffic will be moved to a southbound lane in a contraflow arrangement
- temporarily reduce Forest Way to one lane in each direction
- maintain vehicle access from Forest Way to Prince Charles Road
- restrict vehicle access at the intersection of Forest Way and Bambara Road
- arrange detours so local residents can access their property.

Map of traffic changes on Forest Way during sign installation

How will the work affect you?

The work will involve the use of machinery which will generate some noise. We will use noise shields to reduce noise where appropriate and ensure equipment and vehicles are turned off when not in use.

Traffic changes

Traffic management and signage will be onsite to assist motorists and pedestrians through these temporary conditions. During this time delays may take place in the area including along Forest Way, Bambara Road and Prince Charles Road.

Vehicle and pedestrian access to homes and businesses located within the work area will be maintained.

Motorists are encouraged to plan ahead, follow the directions of signage and keep to speed limits while this traffic arrangement is in place.

Contact

We are committed to minimising the impact of construction on the community and will continue to keep you informed as the project progresses. If you have any questions, would like to register for project and traffic updates or have any feedback, please contact our delivery partner, Ferrovial York Joint Venture.

Call: 1800 014 307 (free call 24 hours per day)

Email: nbhcommunity@nbhr.com.au

Write: PO Box 6040, Frenchs Forest NSW 2086
