

Northern Beaches Hospital road upgrade – Temporary traffic changes at Warringah Road and Wakehurst Parkway from Saturday 12 October

The NSW Government is upgrading roads around the new Northern Beaches Hospital to increase capacity on the road network and improve access through the area.

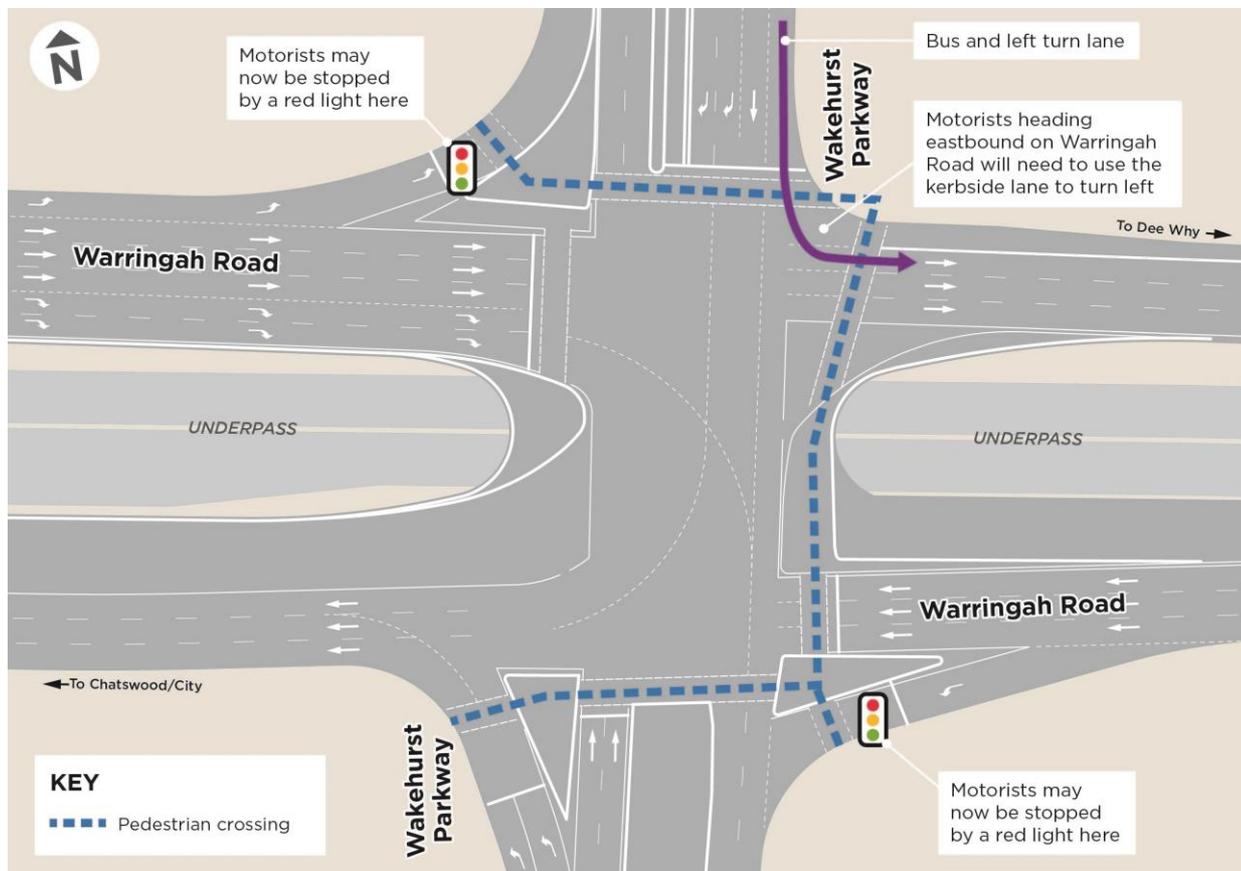

Roads and Maritime Services is building an underpass bridge at the Wakehurst Parkway intersection to go over the future Warringah Road underpass.

To continue this work, traffic changes will take place at the intersection of **Warringah Road** and **Wakehurst Parkway** from **7pm Saturday 12 October** to **8am Sunday 13 October 2019**, weather permitting. We will turn off the traffic lights at the intersection and police will be onsite directing traffic.

When our work is complete on Sunday morning:

- new permanent traffic lights will be in place at the Warringah Road slip lanes to Wakehurst Parkway north and southbound
- the existing Warringah Road pedestrian crossing will shift from the west to the eastern side of the intersection
- Wakehurst Parkway southbound motorists who wish to turn left to Warringah Road eastbound will need to use the kerbside lane.

Map of traffic changes

What will the work involve?

The work involves:

- installing and turning on new traffic lights
- rearranging the intersection
- line marking.

How will the work affect you?

During this time delays may take place in the area including along Warringah Road and Wakehurst Parkway. Motorists are encouraged to plan ahead, and allow extra travel time.

Pedestrian detours, traffic management and signage will be in place to assist through these changes.

For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW app.

Contact

We are committed to minimising the impact of construction on the community and will continue to keep you informed as the project progresses. If you have any questions, would like to register for project and traffic updates or have any feedback, please contact our delivery partner, Ferrovial York Joint Venture.
