

## Northern Beaches Hospital road upgrade – Temporary traffic changes at Warringah Road, Frenchs Forest on Friday 2 and Saturday 3 August

The NSW Government is upgrading roads around the new Northern Beaches Hospital to increase capacity on the road network and improve access through the area.

Roads and Maritime Services is building underpass bridges at the Forest Way and Wakehurst Parkway intersections to go over the future Warringah Road underpass.

To continue this work, traffic changes will take place from **Friday 2 August to Sunday 4 August 2019**, weather permitting.

### Changes at the intersection of Warringah Road and Wakehurst Parkway

From **8pm Friday 2 August to 8am Saturday 3 August**, we will close:

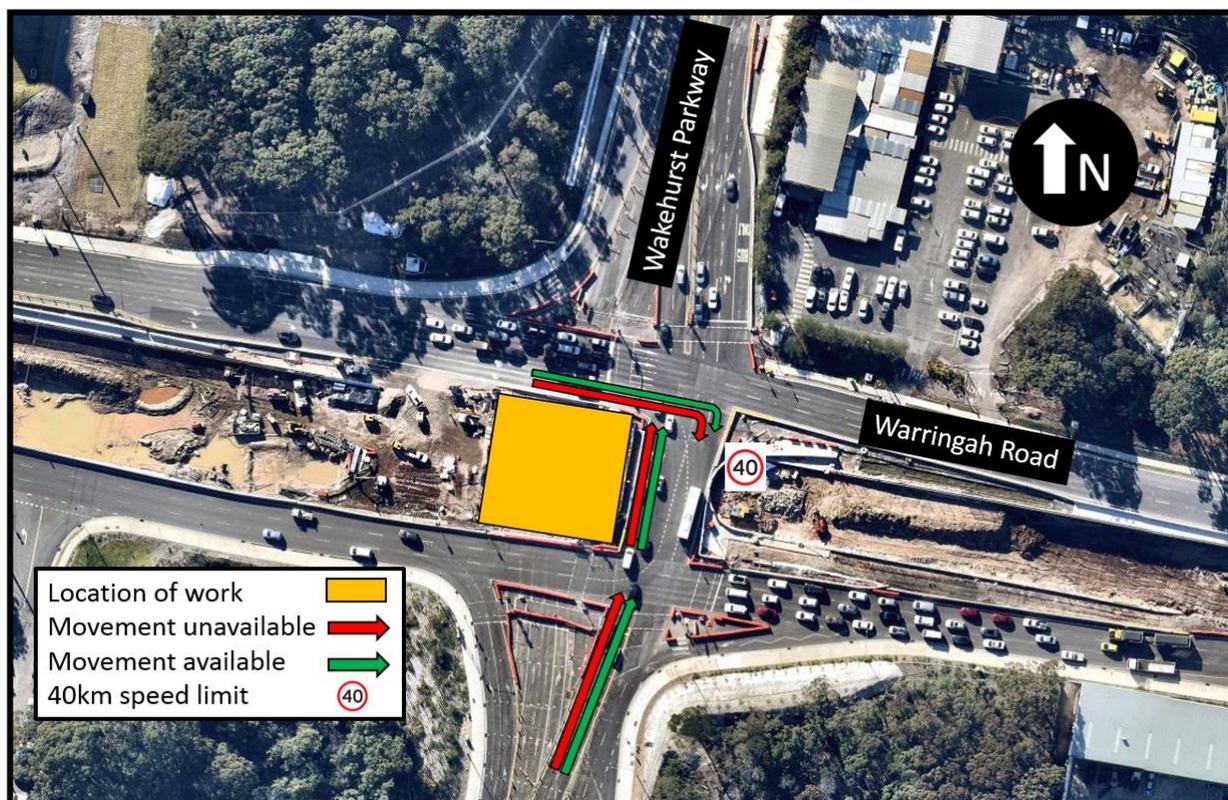

- one of the right turn lanes from Warringah Road to Wakehurst Parkway southbound
- one of the northbound lanes on Wakehurst Parkway.

A **40 kilometres per hour** roadwork speed limit will be in place for motorists travelling northbound and southbound across the intersection until **2am Sunday 4 August**.

There will be no change for motorists travelling eastbound and westbound on **Warringah Road**.

Pedestrian access will be maintained at all times, although temporary detours may be in place.

## Changes at the intersection of Warringah Road and Forest Way

From **7pm Saturday 3 August** to **7am Sunday 4 August 2019**, we will turn off the traffic lights at the **Warringah Road** and **Forest Way** intersection while we rearrange the intersection.

Police will be onsite directing traffic during this time.

### How will the work affect you?

During this time delays may take place in the area including along Warringah Road, Forest Way and Wakehurst Parkway. Motorists are encouraged to plan ahead, and allow extra travel time.

Pedestrian detours, traffic management and signage will be in place to assist through these temporary conditions.
