

Change of date for the weekend closure of Wakehurst Parkway between Warringah Road and Frenchs Forest Road revised to Friday 12 October to Monday 15 October 2018

The NSW Government is upgrading roads around the new Northern Beaches Hospital to increase capacity on the road network and improve access through the area.

We wrote to you recently to advise of the weekend closure of **Wakehurst Parkway** between **Warringah Road** and **Frenchs Forest Road** for road construction work.

However, due to wet weather, the work required has had to be rescheduled. The closure will now occur on **8pm Friday 12 October to 5am Monday 15 October**, weather permitting. We apologise for any confusion this may have caused.

Detours will be in place while we complete the work. Traffic management and signage will be in place to assist motorists through these temporary conditions.

Wakehurst Parkway northbound and southbound closure from 8pm Friday 12 October to 5am Monday 15 October 2018

From **8pm Friday 12 October to 5am Monday 15 October**, all northbound and southbound lanes of Wakehurst Parkway will be temporarily closed between Warringah Road and Frenchs Forest Road. During this time, all traffic will be detoured via Frenchs Forest Road and Warringah Road.

Public Transport

Some bus routes will be diverted and have changed stopping arrangements. Please check signage at bus stops or visit transportnsw.info for more details and to plan your trip.

Traffic changes

Heavy traffic and delays are expected on Warringah Road and other roads in the area, especially on Saturday and Sunday mornings. Motorists are encouraged to plan ahead and allow extra travel time.

These traffic changes are needed to upgrade the road and to ensure the safety of workers, motorists, cyclists and pedestrians and may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW app.

Pedestrian access will be maintained at all times, although temporary detours may be in place.

How will the work affect you?

The work will involve the use of machinery which will generate some noise. We will use noise shields to dampen noise where appropriate and ensure equipment and vehicles are turned off when not in use.

We will focus lights only on the working area. However, there is likely to be some spill-over of light into some nearby residences.
