

Northern Beaches Hospital road upgrade – Warringah Road underpass open to traffic Saturday 28 March

The NSW Government is upgrading roads around the Northern Beaches Hospital to increase capacity on the road network and improve access through the area.

Transport for NSW has completed the 1.3 kilometre long underpass in the centre of Warringah Road.

The underpass will open to traffic from **Saturday night 28 March 2020**, weather permitting.

The opening of the underpass and final configuration of Warringah Road intersections will be completed across three weekends.

Weekend One: Saturday 28 March

From **Saturday night 28 March**, the underpass will open to Warringah Road **eastbound** traffic at the entrance west of Forest Way.

From **Sunday morning 29 March**, the underpass will open to Warringah Road **westbound** traffic at the entrance east of Wakehurst Parkway.

Map showing the opening of the westbound and eastbound Warringah Road underpass lanes

At this time:

- the Warringah Road underpass on ramp at Wakehurst Parkway will be closed
- Warringah Road westbound surface lanes on approach to Wakehurst Parkway will be reduced to two lanes

- Warringah Road eastbound surface lanes on approach to Forest Way will be reduced to two lanes
- motorists using the Forest Way slip lane to Warringah Road eastbound will enter Warringah Road in an added lane – no merge will be required at that point.

Weekend Two: Saturday 4 April

From **Saturday night 4 April**, the intersection of **Warringah Road** and **Wakehurst Parkway** will be in its final arrangement.

Map showing the opening of the Warringah Road on ramp at Wakehurst Parkway

The Wakehurst Parkway intersection will include:

- an on ramp to the Warringah Road underpass for Wakehurst Parkway northbound and southbound motorists to travel westbound on Warringah Road
- two right turn lanes from Wakehurst Parkway southbound into the underpass westbound and one right turn lane for motorists who wish to continue on the surface road
- two left turn lanes from Wakehurst Parkway northbound into the underpass westbound and one left turn lane for motorists who wish to continue on the surface road
- one right turn lane from Wakehurst Parkway northbound to Warringah Road eastbound.

Weekend Three: Saturday 18 April

From **Saturday night 18 April**, the intersection of **Warringah Road** and **Forest Way** will be in its final arrangement.

The Forest Way intersection will include:

- three right turn lanes from Warringah Road westbound to Forest Way northbound
- one bus only lane and two lanes for general traffic on Warringah Road eastbound.
- motorists will not be able to enter the underpass from the Forest Way intersection.

How will the work affect you?

Temporary lane closures will be in place across during the opening of the underpass and intersection work.

Delays may occur along Warringah Road, Wakehurst Parkway and Forest Way. Motorists are encouraged to plan ahead and allow extra travel time.

Temporary traffic changes are needed to ensure the safety of workers and road users and may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW app.

Pedestrian access will be maintained at all time and bus routes will not be impacted.

Contact

We are committed to minimising the impact of construction on the community and will continue to keep you informed as the project progresses. If you have any questions, would like to register for project and traffic updates or have any feedback, please contact our delivery partner, Ferrovial Agroman.
