

Northern Beaches Hospital road upgrade – Change of date for temporary traffic changes at Fitzpatrick Avenue East and Warringah Road intersection from Thursday 18 July

The NSW Government is upgrading roads around the new Northern Beaches Hospital to increase capacity on the road network and improve access through the area

Roads and Maritime Services is upgrading **Warringah Road** as part of the Northern Beaches Hospital road upgrade project.

Last month we informed you about road surface milling and asphaltting on Warringah Road, near Fitzpatrick Avenue East. This work was postponed due to wet weather.

We will now complete this work over two consecutive nights from **9pm Thursday 18 July to 5am Friday 19 July** and **9pm Friday 19 July to 5am Saturday 20 July 2019** weather permitting.

Fitzpatrick Avenue East at the intersection of **Warringah Road** will be closed and the traffic signals at the intersection of Forest Way and Warringah Road will be turned off. Police will be onsite directing traffic during the outage.

During the closure, the following traffic changes will be in place:

- two westbound lanes of Warringah Road will be reduced to one
- three eastbound lanes of Warringah Road will be reduced to one, to create space for westbound contraflow
- one of the right turn lanes of Forest Way to Warringah Road will be closed.

Map of the closure and detour

Access will be temporarily **unavailable** to **Warringah Road** from **Fitzpatrick Avenue East** while this work takes place. **Detours** are available via **Hilmer Street**.

How will the work affect you?

The work will involve the use of machinery which may generate some noise. We will use noise shields to dampen noise where appropriate and ensure equipment and vehicles are turned off when not in use.

Traffic changes

There may be delays in the area including on Hilmer Street, Bantry Bay Road, Warringah Road and Forest Way.

Motorists are encouraged to plan ahead, follow the direction of signage, and to keep to speed limits whilst this traffic arrangement is in place. Pedestrian access will be maintained at all times, although temporary detours will be in place.

The temporary traffic changes are needed to upgrade the road and to ensure the safety of workers, motorists, cyclists and pedestrians and will affect travel times. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW app.

Contact

We are committed to minimising the impact of construction on the community and will continue to keep you informed as the project progresses. If you have any questions, would like to register for project and traffic updates or have any feedback, please contact our delivery partner, Ferrovial York Joint Venture.
