

Installation of additional site compound and laydown area from Monday 23 October

The NSW Government is upgrading roads around the new Northern Beaches Hospital to increase capacity on the road network and improve access through the area

Roads and Maritime Services will establish a new site compound and laydown area from **Monday 23 October** on Warringah Road, near Jones Street.

The work will involve:

- establishing the site
- installing fencing and environmental controls
- clearing and trimming vegetation
- installing site sheds.

The compound will be used for:

- laydown of equipment
- storage of materials including stockpiles
- car parking for workers
- site amenity sheds for workers
- delivery of plant and equipment.

This work will be carried out from **Monday 23 October** and the compound will be used for the duration of the project. This work will be carried out during standard construction hours from **7am to 6pm** on **weekdays**, **8am to 1pm** on **Saturdays**.

This compound may be used during the project outside of our standard working hours. All work outside of these hours will be carried out in accordance with the project approvals and the community will be notified in advance.

Please see the attached map to view the location of the work.

How will the work affect you?

There will be some noise and disruption associated with this work including vehicle movements during set up and use of this facility. Machinery and equipment used during the setup may include excavators, trucks, rollers, mobile cranes, concrete trucks and equipment, power generators, hand tools and light vehicles. Every effort will be made to minimise impact to the local community.

Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe. Lane closures may be in place and may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

We are committed to minimising the impact of construction on the community and will continue to keep you informed as the project progresses. If you have any questions, would like to register for project and traffic updates or have any feedback, please contact Ferrovial York Joint Venture.
