

Northern Beaches Hospital road upgrade –Temporary traffic changes at Warringah Road and Hilmer Street intersection from Thursday 17 September

The NSW Government has upgraded roads around the Northern Beaches Hospital increasing capacity on the road network and improving access through the area

Transport for NSW is finalising the road surface at the intersection of **Warringah Road** and **Hilmer Street** as part of the Northern Beaches Hospital road upgrade project.

To complete this work, traffic changes will be in place overnight on **Hilmer Street** at the intersection of **Warringah Road** from **8:30pm Thursday 17 September 2020**, weather permitting.

During this time, the following key activities will take place:

- milling, road resurfacing, and asphaltting
- line marking.

Traffic changes on Thursday 17 September

From **8:30pm Thursday 17 September** to **5am Friday 18 September**, we will close **Hilmer Street** from **Warringah Road** to **Primrose Avenue**, weather permitting.

Access will be temporarily **unavailable** to **Warringah Road** from **Hilmer Street** and to **Hilmer Street** from **Warringah Road**. Motorists will detour via **Bantry Bay Road** or **Fitzpatrick Avenue East**. Access for Hilmer Street residents affected by the closure will be available via Primrose Avenue, under the direction of traffic controllers.

When the work is complete, all turning movements will be reinstated allowing full access to and from Hilmer Street at Warringah Road.

Map of closure and detour

How will the work affect you?

The work will involve the use of machinery which may generate some noise. We will use noise shields to dampen noise where appropriate and ensure equipment and vehicles are turned off when not in use.

Motorists are encouraged to plan ahead, follow the direction of signage, and to keep to speed limits while this traffic arrangement is in place.

Pedestrian access will be maintained at all times, although temporary detours may be in place.

The temporary traffic changes are needed to upgrade the road and to ensure the safety of workers, motorists, cyclists and pedestrians and will affect travel times. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW app.

Contact

We are committed to minimising the impact of construction on the community and will continue to keep you informed as the project progresses. If you have any questions, would like to register for project and traffic updates or have any feedback, please contact our delivery partner, Ferrovial York Joint Venture.
