

Installation of new power poles and tree clearing from Monday 29 February

The NSW Government is upgrading roads around the new Northern Beaches Hospital with work proposed to be completed in time for the hospital opening in 2018.

Roads and Maritime Services will install new power poles and street lighting from **Monday 29 February**.

The work will be carried out along Frenchs Forest Road East and West, and on the corners of the side streets, as well as Naree Road, Forest Way, Allambie Road and Wakehurst Parkway.

The work will involve:

- Establishing traffic controls on the road
- Digging holes and trenches
- Installing new power poles, street lighting and powerlines
- Removing existing power poles.

This work will be carried out from **Monday 29 February** until **late August**, weather permitting. This work will be carried out during our standard construction hours of **7am to 6pm** on **weekdays** and **8am to 1pm** on **Saturdays**.

Night work

There will also be **nine shifts of night work** between **Monday 29 February** and **Monday 14 March** from **6pm to 7am** and **one shift of day work** on **Sunday 6 March** from **8am to 5pm**, weather permitting.

The work will be carried out:

- Along Frenchs Forest Road East, between Skyline Shops and Warringah Road
- Around the KFC on the corner of Frenchs Forest Road East and Allambie Road
- Along Warringah Road, between Parkview Hotel and Allambie Road
- Along Wakehurst Parkway, approximately 200 metres north of Frenchs Forest Road.

The work will involve:

- Establishing traffic controls
- Removing trees and vegetation including felling and mulching.

Further night work will be required to complete the project, and residents and businesses will be notified before any night work starts. All night work will be carried out in accordance with the Project's conditions of approval and environmental licenses, which are available on our website at www.rms.nsw.gov.au/projects/sydney-north/northern-beaches-hospital.

How will the work affect you?

Day work – There will be some noise and disruption associated with this work including large vehicles to deliver, install and remove the power poles. The project team will make every effort to minimise impact to the local community.

Night work – There will be some lighting and noise associated with this work. We will make every effort to minimise noise by using flexible noise shields to dampen noise, monitoring noise and working in shifts so you will not be affected for more than three consecutive nights per week. Lighting towers will be directed away from residential properties.

There will be no impact to power supply during this work.

Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe. Lane closures will be in place and may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

The project team will be distributing a weekly email traffic update. To receive this update, please subscribe through the project team.

We are committed to minimising the impact of construction on the community and will continue to keep you informed as the project progresses. If you have any questions, would like to register for project updates or have any feedback, please contact Ferrovial York Joint Venture.
