

Northern Beaches Hospital road upgrade – Weekend closure of Wakehurst Parkway between Warringah Road and Frenchs Forest Road from Friday 29 November

The NSW Government is upgrading roads around the Northern Beaches Hospital to increase capacity on the road network and improve access through the area.

Roads and Maritime Services is building an underpass bridge at the Wakehurst Parkway intersection to go over the future Warringah Road underpass.

To continue this work, there will be road closures at night on **Wakehurst Parkway** between Warringah Road and Frenchs Forest Road on Friday 29 November and Saturday 30 November, weather permitting.

From **8pm Friday 29 November to 7am Saturday 30 November** and **8pm Saturday 30 November to 7am Sunday 1 December**, we will close **Wakehurst Parkway** from Frenchs Forest Road to Warringah Road. We will also temporarily move eastbound traffic on Warringah Road between Hilmer Street and Rodborough Road to a westbound lane in a contraflow arrangement.

While this work is completed:

- no vehicle access from Warringah Road to Wakehurst Parkway northbound
- no vehicle access from Frenchs Forest Road to Wakehurst Parkway southbound
- motorists heading northbound on Wakehurst Parkway will be able to turn left to Warringah Road
- motorists heading northbound on Wakehurst Parkway will be able to turn right at Aquatic Drive
- 40 km/hour speed restrictions will be in place along Warringah Road.

We will also turn off the traffic lights at the intersections of Wakehurst Parkway and Hilmer Street at Warringah Road. Police will be onsite directing traffic.

Map of night time detours

What will the work involve?

The work involves:

- temporary lane closures
- asphaltting and installing the final road surface
- line marking
- moving temporary barriers.

How will the work affect you?

The work will involve the use of machinery which will generate some noise. We will use noise shields to dampen noise where possible and ensure equipment and vehicles are turned off when not in use. We will focus lights only on the working area. However, there is likely to be some spill-over of light into nearby residences.

During this time, delays may take place in the area including along Forest Way, Warringah Road, Wakehurst Parkway, Allambie Road and Frenchs Forest Road. Motorists are encouraged to plan ahead and allow extra travel time.

Traffic changes

Temporary traffic changes are needed to ensure the safety of workers and road users and may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW app.

Pedestrian access will be maintained at all times. Existing bus stops will remain operational as normal, but buses will be diverted around the road closure.

Contact

We are committed to minimising the impact of construction on the community and will continue to keep you informed as the project progresses. If you have any questions, would like to register for project and traffic updates or have any feedback, please contact our delivery partner, Ferrovial York Joint Venture.
