

# To the **householder**

**DECEMBER 2010**

Dear resident

## **Re: Additional crossing of the Clarence River at Grafton**

The Roads and Traffic Authority (RTA) is revising the approach, to engage more effectively with the community and stakeholders in identifying a preferred route for a second crossing of the Clarence River at Grafton. The RTA recognises that the community wants to examine a range of different options for a second crossing; both close to and separate from the existing crossing.

Please find enclosed a community update that explains the revised process. As requested by the community the revised process will provide additional opportunities for consultation that enables the community to have further input into the location for a second crossing of the Clarence River.

A number of preliminary route options for the second crossing have been proposed by the community and project team. The community update highlights the preliminary route options that have been identified for further consideration.

Your property is located in the vicinity of, and may be impacted by, one of the preliminary route options being considered.

An initial community survey forms part of the community update. You are invited to complete this survey and return it by Tuesday 8 February 2010 (no postage stamp required). A separate submission is welcome if there is insufficient room, or you wish to add further comments on the survey.

Over the coming weeks, further community feedback will be sought on the preliminary route options. The project team will be available at displays in Grafton and South Grafton to further discuss the new process, answer your questions and to listen to your feedback.

### **Staff Displays**

- Grafton Shopping World, Fitzroy Street Grafton, Thursday 9 December 2010 and Thursday 16 December 2010, From 9am to 1pm and 5pm to 7pm.
- Bi Lo Complex, Bent Street, South Grafton, Thursday 9 December and Thursday 16 December 2010, From 9am to 1 pm and 5pm to 7pm.

If you would like to arrange a meeting to discuss the project further, or have a question or concern, please do not hesitate to contact the free information line 1800 633 332, email the project team at [graftonbridge@rta.nsw.gov.au](mailto:graftonbridge@rta.nsw.gov.au) or visit the project website [www.rta.nsw.gov.au/graftonbridge](http://www.rta.nsw.gov.au/graftonbridge).

Yours faithfully,

A handwritten signature in cursive script, appearing to read 'Chris Clark'.

Chris Clark

Project Manager
