

## Work continuing on Old Windsor Road, Bella Vista

NSW Government is upgrading Old Windsor Road, Bella Vista to ease congestion, improve traffic flow and reduce travel times on major Sydney Roads.

Road users traveling between Sydney's North West and Parramatta are experiencing congestion and long wait times on Old Windsor Road between Seven Hills Road and Norbrik Drive. To ease congestion, improve traffic flow and reduce travel times, we will:

- widen Old Windsor Road from two to three continuous lanes in each direction to ease congestion for motorists
- extend the right turn lanes from Old Windsor Road onto Seven Hills Road to improve southbound traffic flow
- provide off road ramps and designated crossings for cyclists, improving safety for all road users.

## Our work schedule

We will be on site for up to **five days and five nights a week** for **53 night shifts** and **70 day shifts** between **Monday 1 July** and **Monday 30 September 2019**, weather permitting.

Our day work hours will be between **7am** and **6pm** from **Monday** to **Friday** and between **8am** to **1pm** on **Saturday**. Our night work hours will be between **8pm** and **5am** from **Sunday** to **Friday**.

## Contact

If you have feedback or concerns about the work schedule, or would like to know more about this project, please contact Old Windsor Road Upgrade project team on 0437 805 963 or [owr.community@georgiou.com.au](mailto:owr.community@georgiou.com.au).

To find out more about this work, please visit project webpage at [rms.work/widenoldwindsor](http://rms.work/widenoldwindsor).

Thank you for your patience during this important work.

We have planned the work schedule so the road upgrade can be completed as quickly as possible, limiting the impact on the local community. Some of this work needs to be carried out at night to minimise traffic disruption and reduce safety risks to the workers and motorists.

This stage of work includes:

- forming road pavement
- installing new traffic signals and street lights
- asphaltting
- line marking
- removing temporary traffic barriers.

If you have any questions or concerns about this night work schedule, please contact the project team at [owr.community@georgiou.com.au](mailto:owr.community@georgiou.com.au) or 0437 805 963.

We will be updating you on this project as work progresses, including informing you in advance about future work schedules and night work.

## How the work will affect you?

Our work may be noisy at times but we will do everything we can to minimise its impact, including completing the noisier activities such as concrete cutting and jack hammering by **midnight**. Existing noise barriers along Old Windsor Road will help to minimise the impact of noisy tasks.

## Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe. Lane closures will be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

If you need help understanding this information, please contact the Translating and Interpreting Service on 131 450 and ask them to call us on 0437 805 963.
