

Have your say – Proposed widening of Old Windsor Road, Bella Vista

The NSW Government is funding this proposal as part of its \$300 million Urban Roads Pinch Point Program, which aims to reduce congestion and improve travel times on Sydney's busiest corridors.

Roads and Maritime Services is inviting your feedback on a proposal to maximise the road space of Old Windsor Road by widening to improve efficiency and safety for all road users and mitigate congestion during peak periods.

The proposal involves:

- widening of Old Windsor Road to provide three lanes between Norbrik Drive and Seven Hills Road
- extending the southbound right turn bays into Seven Hills Road
- building a new northbound cycleway connection from Old Windsor Road to a shared path on T-Way
- vegetation removal from median.

We have included a map to show the proposal.

Investigation work

To help us develop a design for the proposal, we need to carry out investigation work at the site. This includes investigating ground conditions and locating underground utilities.

This will take **four night shifts** and **six day shifts** between **Thursday 24 August** and **Friday 15 September**, weather permitting. Our night work hours will be between **8pm** and **5am** from **Sunday to Friday**. Our day work hours will be between **7am** and **5pm** from **Monday to Friday** and between **8am** to **1pm** on **Saturday**.

How can you give feedback?

We invite your feedback on the proposal by **Thursday 7 September**. Please send your comments to our delivery partner, DM Roads, via:
