

## Safety improvements to the intersection of Boundary Road and the Oxley Highway, Gunnedah from Tuesday 30 July

The NSW Government is funding a roundabout at the intersection of Boundary Road and the Oxley Highway to improve safety for road users and facilitate freight connectivity.

The Boundary Road and Oxley Highway intersection was identified in the Oxley Highway corridor strategy as needing an upgrade to improve safety for all road users and facilitate the movement of freight vehicles from Bloomfield Street. Roads and Maritime Services has engaged Gunnedah Shire Council to build the new roundabout, which is expected to take about **nine months** to complete, weather permitting.

Early work will start on **Tuesday 30 July** and will involve site establishment, soil testing, removing vegetation, stormwater and water main installation and early earthwork. Major construction is expected to start in **early August**. No work will be carried out during AgQuip.

We will be working between **7am and 4.30pm** during early work and major construction. We will let you know in advance if we need to do any work outside these times. We have included a map to show the project location and concept design for the new roundabout.

## How will the work affect you?

The work will involve the use of machinery which will generate some noise. We will make every effort to minimise noise by turning machinery off when not in use and positioning machinery away from residential areas where possible.

Access to properties in the area will be maintained at all times.

## Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe.

Traffic may be reduced to one lane on the Oxley Highway and Boundary Road during work hours and a reduced speed limit will be in place and may affect travel times.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

## Contact

If you have any questions, please contact Gunnedah Shire Council's Project Manager, Richard Baxter on 02 6740 2132

Thank you for your patience during this important work.

If you need help understanding this information, please contact the Translating and Interpreting Service on 131 450 and ask them to call us on 6640 1331.
