

## Road work on the Oxley Highway at Mount Seaview from Monday 25 May

The NSW Government is funding essential maintenance work on the Oxley Highway at Mount Seaview to provide a safer, longer lasting road.

Transport for NSW will carry out the work, which will involve the replacement of a number of drainage culverts along the highway.

The work will take place over a 25 kilometre section of the Oxley Highway, between Knodingbul Road and Mount Seaview Road.

We have included a map to show the locations of the project.

Work will be carried out between **7am** and **5pm Monday to Friday**, from **Monday 25 May**, for up to thirteen weeks, weather permitting. We will let you know in advance if we need to work outside these times.

**KEY** — Work area on the Oxley Highway at Mount Seaview

## How will the work affect you?

The work will involve the use of machinery which will generate some noise and vibration. We will make every effort to minimise noise by turning machinery off when not in use and positioning machinery away from residential areas where possible.

Access to properties in the area will be maintained at all times.

## Traffic changes

There will be some temporary traffic changes to ensure the work area is safe.

In short sections of road, traffic will be reduced to one lane with a reduced speed limit in place, which may affect travel times. Delays of up to five minutes may be experienced in the area of work.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

## Contact

If you have any questions, please contact our Project Manager, Pablo Aguilar on 02 6580 3463 and [Pablo.Aguilar@transport.nsw.gov.au](mailto:Pablo.Aguilar@transport.nsw.gov.au)

Transport for NSW acknowledges that significant work continues to take place on the Oxley Highway as a result of the recent bushfires and would like to thank you for your patience during this important work.

If you need help understanding this information, please contact the Translating and Interpreting Service on 131 450 and ask them to call us on (02) 6640 1000
