Night work on the Pacific Highway between Ourimbah and Lisarow from Thursday 22 February to Wednesday 28 March

The NSW Government has provided $70 million to upgrade the Pacific Highway between Lisarow and Ourimbah to improve traffic flow and safety.

Major construction work started in March 2016 and is expected to be completed by late 2018, weather permitting. Roads and Maritime Services will carry out further night work at the intersection of the Pacific Highway and Walmsley Road as part of this project.

Upcoming work

Nightwork will occur at the Walmsley Road intersection over eight shifts between Thursday 22 February and Wednesday 28 March. To minimise the impact on local traffic, our working hours will be from 6pm to 5am, weather permitting.

This work will include installing:

- new stormwater infrastructure
- underground conduits for the traffic lights
- asphalt

Work will also continue during standard construction hours from Monday to Friday between 7am and 6pm and Saturdays between 8am and 1pm, excluding public holidays.

How will the work affect you?

This work will be noisy and involve the use of temporary lighting. We are conscious of the effect this may have on surrounding residents and businesses. We will make every effort to minimise noise and excessive lighting during the works.

Traffic changes

Temporary traffic changes will be in place during this work. Northbound and southbound traffic on the Pacific Highway will be stopped intermittently for up to five minutes at a time to allow work to be completed safely. Walmsley Road will also be temporarily closed at times and local traffic detoured via Glen Road.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

All enquiries should be directed to our delivery partner, Civil Mining & Construction, on 1800 247 377 (24hrs). For more information on the project, visit rms.nsw.gov.au/lisarow-ourimbah.
